

## LOCAL AND SPECIAL

If "Leisure Field" will be kind enough to send us her name in confidence, we will as soon as convenient publish her story.—Ed. Monitor.

Mr. and Mrs. B. N. Bent, Granville Centre will be at home to their friends on Wednesday and Thursday afternoon and evening, Feb. 3rd and 4th.

At the annual session of the Municipal Council last week, Freeman Fitch, Esq., received the appointment of County Clerk in place of O. S. Miller, who resigned.

Mr. and Mrs. Chas. R. Chipman, of Church Street will be at home on the afternoons of Wednesday and Thursday, January 27th and 28th, from three to five thirty.

Of two hundred of the Princess Patricia who entered into an engagement on January 17th, only eighty-three returned. Major Hamilton Gault had a narrow escape.

The Bridgetown Hockey team was defeated at Digby last Thursday night by a score of 8-6. Bridgetown was leading at the end of the first period with the score 4 to 3.

The ladies of Upper Granville intended having a Bazaar in Upper Granville Hall on Thursday, Jan. 28th. If stormy the supper will be held on Friday. Proceeds for the Belgian Fund.

An entertainment, part of the proceeds of which will go to the Belgian Relief Fund and part to a worthy local benefit will be held in the near future. Date and place will be announced later.

The Rev. Hamilton Wigle, B. A., of Halifax, will lecture in the Methodist Church, Lawrenceville, on Wednesday evening, Jan. 27th. Subject: "Ireland and the Irish." Admission, adults 15c; children 10c.

The local Belgian Relief Committee has decided to merge their fund with the larger Monitor Belgian Relief Fund. Contributors will kindly send their donations direct to the Monitor.

G. C. WARREN, Sec. y.

Mr. Vernon Dunn, of Hampton, handed to the Secretary of the Red Cross Society the sum of fifteen dollars. The money was raised at a concert given by the young people of Hampton. The Society would thus publicly express its thanks for the welcome gift.

Don't forget that Mr. P. F. Lawson of Berwick who accompanied the Nova Scotia Relief Ship "Tremorah" to Belgium tells of the condition of that stricken land and its Friday evening, Jan. 21. A collection will be taken in aid of the Belgian Relief Fund.

Everyone interested in the welfare of our County and Province is urged to be present at the public meeting to be held in Phinney's Hall, Lawrenceville, on Friday evening of this week. A similar meeting will be held in Mochelle on Saturday evening, Jan. 23. See adv. in this issue.

The annual business meeting of the Bridgetown Baptist Church was held in the vestry of the church last Wednesday evening. Gratifying report from the various departments of church activity were presented. During the year forty persons united with the church, thirteen by letter and twenty-seven by baptism. The Sunday School showed an average attendance of one hundred and seven an increase of seven per cent. over the previous year.

We regret to chronicle this week the death of one of Hampton's most respected citizens, that of Mr. John Edward Farnsworth, which occurred last Monday morning. Mr. Farnsworth was born in Hampton, but moved to Parker's Cove with his parents when but a boy. He returned to Hampton some 25 or 30 years ago and has resided there ever since. He is survived by his wife, two sons—Hugh of California, and Reed of Hampton, and one daughter, Mrs. Tolan, also of Hampton. He deceased was 75 years of age.

The annual meeting of the Rector, Wardens, Vestry and Parishioners of the parish of St. James', Bridgetown, which took place last Monday evening in St. James' Church Schoolroom was gratifying in every way. The Church Warden's report and the Treasurer's financial statement showed considerable solid work and progress. The same can also be said of the annual meeting at St. Mary's, Belleisle. In both places all the retiring officers were re-elected, and the very pleasing item at the parish meeting on Monday was the unanimous voting of \$50 to the Rector over and above stipend guaranteed for the past year.

We are indebted to Messrs. Clark Bros., of Bear River, for a beautiful calendar, 3 1/2 ft x 3 1/2 ft. The subject being "The Last of the Old Fox," a beautifully colored picture by Alfred Mochelle, the celebrated Swedish artist. The picture and his friends in the picture are telling stories when suddenly the squire's son bursts into the room holding in his hands the tail of a fine old fox. The pride of victory is written on the young man's face, and the excitement of the older men tells their eagerness to hear the story of the hunt. The squire leans back in his chair smiling with pride. His son he thinks is a chip off the old block.
