Organization Among Municipal Engineers	373	American Road Builders' Association, Convention of.....	907
Ottawa's Proposed Aqueduct.....	711	American Road Congress in Detroit	225
Ottawa's Water Project and Engineering Fees	871	Am. Soc. C. E., Previous Convention in Canada of.....	151
Patents and the Engineer.....	278	Analysis of Coals.....	611
Paving "Determinator," The.....	651	*Aqueduct, The Winnipeg-Shoal Lake	605
Pavement, Points in Choosing a..	501	Arch Bridge at Saskatoon.....	881
Permanent Highways Urged by Counties	743	*Armstrong, Whitworth's New Canadian Plant	848
Points in Choosing a Pavement..	501	Asphalt Specifications, Toronto..	837
Pollution of International Waterways	903	Asphaltic Concrete as a Paving Material	272
Pollution of the Niagara and Detroit Rivers, The.....	277	Autoclave Tests for Cement, The Efficiency of the.....	444
Preservation of Health in Construction Camps	681	*Automatic Railways	814
Provincial Divisions of the Canadian Society, Agitation.....	651	Bacteria Bed, Functions of the Non-Bacterial Population of the	402
Proposed Canadian Institution of Municipal Engineers, The.....	532	*Barge for Nelson, B.C., Canadian Pacific Railway	372
Public Utilities, Municipal Control of	744	*Barges Propelled With Producer Gas Engines	381
Public Health, Municipal Engineering and	373	*Belt Conveyers (Part II).....	526
Reports From Municipal Engineers	309	"Bending Moments in Flat Slabs," Discussion of.....	682
Road Wear, The Inter-Affriction Theory of	181	Bending Moments in Flat Slabs..	485
Road Improvement, The Views of the People on.....	681	Binnie Contract	873
Road Board Advocated for Canada, A Centralized	502	Bituminous Concrete Pavements..	493
Roads, Ontario's Ten-Million-Dollar	591	*Boucanne River Viaduct, The.....	350
Roads in Ontario, Provincial.....	277	*Breakwaters to Withstand Wave Action, Cross Sections of.....	714
Sewage Disposal, Stream Flow in.	561	Brick for Country Roads.....	733
Shipbuilding, Steel for Canadian.	502	Brick Road Construction, Essential Features in Good.....	600
Steel for Canadian Shipbuilding..	502	*Brick Construction, Points in Brick and	545
Stream Flow in Sewage Disposal.	561	*Bridge Construction at Newcastle, N.B.	887
Strength of Concrete, Wet vs. Dry	309	Bridge at Saskatoon, Arch.....	881
Training, The Value of Engineering	531	*Bridge, The Saskatoon Traffic...	551
Tunnel Under the English Channel, A	438	*Bridge, Statical Analysis of Reinforced Concrete Arch.....	746
Value of Engineering Training, The	531	*Bridge, Fort William, Kaministiquia River	516
Views of the People on Road Improvement, The	681	Bridges, The Determination of Internal Temperature Range in Concrete Arch	329
Water in Oil Wells.....	775	*Bridge at Mud Lake, Ontario, Foundation Work on C.P.R....	339
Water Level, Lake of the Woods..	277	Bridges, Typical Specifications for Steel Highway	424
Water Pipes, Corrosion of.....	904	Bridge Floors Replaced With Concrete	141
Water Pressure in Large Circular Conduits	711	*Bridge With Suspended Roadway in Reinforced Concrete, A 150-Foot Arch	361
Water-Powers, Commission Control of Ontario	562	*Bridge Over the St. Lawrence River at Lachine, The Canadian Pacific Railway	268
Water Project and Engineering Fees, Ottawa's	871	*Bridge at Lytton, B.C., New Highway	187
Waterways, Pollution of International	903	British Columbia Engineer, The..	639
Water Waste in Cities.....	743	British Columbia, Progress in the Investigation of the Water-Powers of	435
		British Road Board, The.....	490
		*Bucket Elevators	585
		*Bucket Ladder Excavators for Canal Construction	380
		*Bucket Carriers, Handling Materials by	665
		Business Methods in Construction Work	648
		Canadian Canal Traffic in 1913...	910
		Canada's Projects of Waterway Improvement	899
		Canadian Society of Civil Engineers, Proposed Change in the By-laws of the.....	640
		Canal Traffic in 1913, Canadian..	910
