Scotch Greys.

Having purchased from MR. THOMAS COSTEN his stock of this valuable new variety of fowls, I am prepared to take orders for a limited supply of

EGGS, at \$2.50 per dozen.

I will also have for sale in the fall a few pairs and trios of CHICKS. Orders for same received now, and those wanting will have to speak quick, as I believe I am the only breeder in this country.

In plumage the Scotch Greys resemble the Plymouth Rocks; in laying qualities the Leghorns, and for size of eggs are fully equal to the Brahmas or Black Spanish. They are also non-setters.
