

3. Moved by D. G. MILLER Esq., seconded by the Rev. R. AXFOLD,—That the missionary objects of the Church Society especially commend themselves to the prayerful and liberal consideration of all whose desire is to see the kingdom of God extended, and souls brought into the Gospel net.

4. Moved by the Rev. W. S. DARLING, seconded by the Hon. J. H. CAMERON,—That among the many local demands upon the congregation of St. George's, the liquidation of the School House debt, is one which imperatively requires the special notice and active co-operation of the congregation.

5. Moved by the Rev. T. B. READ, seconded by the Rev. E. HAROU,—That the following Ladies be requested to act as collectors during the ensuing year; Desmoiselles Cayley, Delamere, Emery, Esten, Fleming, Forbes, E. Heward, Howard, Medcalf, Miller, Monro, McCleary, Palen, Reeves, and Smith; and that the following do form the committee; Messrs. Burns, Delamere, Fleming, Harman, McCleary, McGillivray, and the churchwardens, and that the Rev. C. P. Emery be requested to act as Secretary, and Mr. F. Brown as Treasurer. A collection being taken up, the meeting was dismissed with prayer and benediction

ANNUAL REPORT OF THE OTTAWA PAROCHIAL BRANCH OF THE CHURCH SOCIETY, FOR THE YEAR 1859.

In presenting a report which is usual on occasions like the present, this Parochial Branch of the Church Society begs to express its gratitude to the Giver of all good, for the measure of success which has attended its efforts during the past year—in which, though a year of great depression, the collections amounted to £66 10s. And while it regrets to learn from the Annual Report, that the income of the Parent Society has not been as large as former years—it trusts that the late abundant harvest will animate the subscribers with an earnest sense of duty to make up the loss this year.

As Churchmen, we have all solemn duties to perform, and one of the most solemn is the furtherance of the Church of God in the world. As this cannot be done without money—it is our duty to give as God has prospered us. Although this Branch may have contributed as much, perhaps, as any other of its size towards the Society's objects, yet it confesses that much more might and ought to have been done. The Church Society is now the only organization the church has to depend upon for assistance in her onward march of missionary work in this country—and as that Society is supported, so will the energies of the Church be crippled or extended. Every man, woman and child of the church's family—no matter what station or rank in life they fill—rich or poor—young or old—can do something to further the great work of Christ's kingdom on earth. "If our borders" (as the annual report says) are "extending, and our population annually increasing," it is surely a season for the church to wake up and enlarge her heart and to increase the measure of her missionary contributions. The body is made up of limbs and members—the Church is composed of individuals—let each individual then enquire what his duty as a member of the body is, and then diligently and prayerfully set himself to perform it. By heartily engaging in such work, we give proof of the vitality of our faith, and the sincerity of our love, for Him who so loved us that He sent His only Begotten Son into the world, to redeem us from slavery and eternal misery.

RECEIPTS

The receipts of this Branch, for the past year, were as follows:—
Annual collection by the Ladies £56 10 0
One quarterly Sermon..... 10 0 0

Total	£76 10 0
Of this sum there was remitted to the Parent Society—	
Sermons	£10 0 0
One fourth of Annual sub- scriptions, including two Clergymen's subs'tions.	16 17 6
	£26 17 6

Of 3ths of annual subscrip-
tions which the parish is
allowed to retain for local
purposes, there was paid
to the Missionary at Os-
good's for last year £30 0 0
The balance was added to other monies
in the Treasurer's hands, all of which
amounting to..... £77 11 1
was voted at a meeting held May 16,
1859, as the nucleus of a fund for
the erection of a parsonage house in
this parish—a want which is hoped
will soon be supplied.

As the Church in this Parish is entirely sup-
ported by the voluntary contributions of its mem-
bers, it may be well here to state how she
succeeds.

The general receipts of the church for the past year were	\$1700.00
Offertory Collections, including Charity Sermons	808.00
Towards assistant Minister in addition to grant from Vestry of £100	200.00
New Organ	1400.00
Benevolent Society	160.00
Sunday School purposes.....	280.00
Parochial Branch of Church Society ...	266.00
New Melodian for Court house.....	75.00

\$4989.00

This handsome sum was given by this parish
voluntarily for the support of the Church and
her objects during the past year—an evident and
substantial proof that the Church of England
thrown upon her own exertions can support her-
self respectably, and decidedly refutes the asser-
tion once made—that deprived of her State
support she would die a natural death.

All of which is respectfully submitted.

RESOLUTIONS passed at a Public Meeting held in the
the Temperance Hall, on Wednesday Evening,
February, 8th, 1860.

1. Moved by Wm. F. POWELL, Esq., M.P.P.,
seconded by CAPTAIN DOUGLAS,—“That the Re-
port now read be adopted and printed for circula-
tion.”

2. Moved by Rev. R. L. STEPLENSON, seconded
by Rev. E. H. M. BAKER,—“That the compre-
hensive nature of the objects of the Church So-
ciety, and their great individual importance,
entitle it to the cordial support of every member
of the Church.”

3. Moved by Rev. J. G. ARMSTRONG, seconded
by the Rev. J. HARRIS,—“That while it is our
duty as Churchmen to take a deep interest in the
great missionary work of the Church of England
throughout the world—yet are we specially bound
to provide for the spiritual wants of those residing
within this Diocese, where the harvest is truly
plenteous, but the labourers are few.”

4. Moved by JUDGE ARMSTRONG, seconded by
