VINEGAR is better than ice for keeping fish. By putting a little vinegar on the fish it will keep it perfectly well even in very hot weather. Fish is very often improved in flavour under this treatment.

STARTLING YET TRUE.—In the midst of the great political battle now raging so fiercely throughout our fair Dominion, it is certainly a startling fact that no amount of politics to the square foot will prevent the suffering caused by general debility or nervous and blood diseases, now so common among us. It is true though that these ailments and many others, especially those common to the female sex, can be cured by the use of a new and cheap device just introduced into Canada by the Oriental Medicated Electric Belt Company. This consists of an electric belt, so simple in its construction, that it can be worn at all times without the slightest inconvenience, and so cheap that it is brought within the reach of all. The company's headquarters are at No 3 King Street West, Toronto, where they invite inspection of their electrical appliances, and give the best of references.

APPLE SNOW.—Six large baked apples beaten very light, add whites of two eggs, beaten to a stiff froth. Serve with sauce made from a small pint of milk boiling, two spoonfuls sugar, a little salt, tea vanilla. The snow may be sweetened to taste. Serve cold.

DAVIS' PAIN-KILLER.—The best and most popular Family Medicine in the world. A blessing to the rich; a triend to the poor, within the reach of all, it has saved more lives and relieved more suffering incidental to travelling than any other medicine.

TO WASH RED TABLE LINEN.—Use tepid water with a little powdered borax, which serves to set the colour; wash the linen separately and quickly, using very little soap; rinse in tepid water, containing a little boiled starch; hang up to dry in the shade, and iron when almost dry.

WORTH REMEMBERING.

Every inspiration of the lungs, every pulse throbs of the heart, every sweep of the arm—even our very thoughts as they speed through the brain, all create waste matter that must be constantly removed, if there is to be that beautiful harmony of functional effort which constitutes health. Nature's remedy is the sure and eminently wise one of expelling, by proper purgation, the humours which cause the disease, and Dr. Pierce's "Pleasant Purgative Pellets" are nature's great ally in the cure of digestive disturbances, and an unfailing remedy for constipation and its pernicious effects.

CREAM CAKE OR PIE.—One cup of sugar, two eggs, a piece of butter the size of an egg, two and one-half cups of flour, two teaspoonfuls of cream-tartar, one teaspoonful of soda, one cup of milk. Bake in two pans and split when cool. Granulated sugar sprinkled thick on top of the dough before baking makes a nice crust.

Capital not required; you are started free. Either sex; all ages. Better not delay.

RICE BREAD.—Rice bread makes a variety for the breakfast table. Take one pint of well-boiled rice, one-half pint of flour, the yolks of four eggs, two spoonfuls of melted butter, one pint of milk, a little salt and a large spoonful of sugar. Beat all these ingredients till very smooth, and then add the beaten whites of the four eggs. Bake in shallow pans and serve hot.

Food for Consumptives.

Scott's Emulsion of Cod Liver Oil with Hypophosphites, is a most wonderful food. It not only gives strength and increases the flesh, but heals the irritation of the throat and lungs, and in all wasting diseases, both for adults and children, is a marvellous food and medicine.

CATARRH. CATARRH. DEAFNESS AND HAY FEVER.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple and safe remedy has been formulated whereby catarrh, deafness and hay fever are cured in from one to three simple applications made at home. Pamphlet explaining this new treatment is sent free on receipt of stamp, by A. H. Dixon & Son, 315 King Street West, Toronto, Canada.—Christian Standard.

Send ten cents in stamps for a large treatise, with colored plates, on Skin Diseases, or the same amount for a treatise on Scrofulous Affections. "THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength, and soundness of constitution, will be established.

CONSUMPTION,

which is Scrofulous Disease of the Lungs, is promptly and certainly arrested and cured by this God-given remedy, if taken before the last stages of the disease are reached. From its wonderful power over this terribly fatal disease, when first offering this now celebrated remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for consumption of the lungs, but for all

CHRONIC DISEASES

Liver, Blood, and Lungs.

If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish-brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chilliness, alternating with hot flashes, bowels and gloomy forebodings, irregular appetite, and coated tongue, you are suffering from Indigestion, Dyspepsia, and Torpid Liver, or "Biliousness." In many cases only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Bronchitis, Severe Coughs, Consumption, and kindred affections, it is a sovereign remedy. Send ten cents in stamps for Dr. Pierce's book on Consumption. Sold by Druggists.
