## Some Men Pay

\$10,000 for an expert to manage their advertising. There are others who pay \$5 for an annual subscription to PRINTERS' INK—the leading journal for advertisers and business men, published every Wednesday—and learn what all the advertisers are thinking about. But even these are not the extremes reached. There are men who lose over \$100,000 a year by doing neither one.

Young men and women who have an ambition to better their future by acquiring a thorough knowledge of advertising, and who wish to become proficient in the art of writing advertisements, also retail merchants, storekeepers and all others who feel the necessity of being better posted in advertisement writing, are invited to send ONE DOLLAR for a THREE MONTHS' TRIAL SUBSCRIPTION to PRINTERS' INK and such information as they may care to ask.
