

# SAVE THE CHILDREN FROM RUM.

We can seldom save the drunkard, or stop the moderate drinker; but we can pledge the children and follow up the pledge with such teachings that they will never break the pledge. Reports from Great Britain United Kingdom Band of Hope Union go to show that nine y per cent. remain true to pledge, while double the number of Sunday-school pupils join the church from schools having Bands. Best of all, the work is not opposed; parents seldom object, while many who drink seem very glad to have their children join a Band of Hope. No one can cry "Oppression," or "You're after votes," while it reacts on older people with even greater force than direct work, for the books, papers, etc., go in to the homes and are read by the parents; the lessons, too, are talked over, and every one comes out to the Band concerts, there to hear their own little ones sing and talk temperance.

**Free.** Running Bands of Hope in this country have been too expensive, as well as too difficult. We have just issued an entirely new series of requisites which are inexpensive, adapted to simplest plans of management, and sure to secure best results. Penny collection one-third more than pays cost of all requisites. Plan of running is like the simplest plan of running a Sunday-school; requisites most complete published. A LIBRARY of 75c. to \$1.50 books, choicest temperance stories, put up in strong pamphlet binding, attractive chromatic cover, costing but 5c. each. First 52 books originally cost us over \$60. A weekly paper, over 3,000 words in a number, for 2 1/2c. a quarter. A LESSON AND SONG quarterly for 2c. a quarter. A four-page weekly PRIMARY PAPER, with same lessons simplified and illustrated for primary department use, at 2 1/2c. a quarter. Also badges, pledge rolls, beautiful certificates of membership for framing, class records, blank systems of library exchange; the whole so cheap that a penny a week from each member leaves nearly half over for incidentals. We send specimen outfit of all the above-named for 25c. Full particulars free.

**Endorsed.** "The 'Revolution' has the endorsement of the temperance press and of temperance leaders from Maine to California. We append a few endorsements: 'I heartily approve of your plan of work. Your publications will accomplish great good.'—*Gov. St. John, of Boston.* 'Your publications are admirably calculated to promote the temperance cause in all its departments, and I wish you abundant success in your great enterprise.'—*Hon. Neal Dow, of Maine.* 'I have no doubt, from your energy and ability, you will make whatever you undertake a success, as I have already learned of you in other directions.'—*Hon. Wm. Bennett, of Maryland.* 'Mr. Cook has been heartily endorsed by the National Woman's Christian Temperance Union, at its Washington Convention. It need add nothing save my best wishes for his success.'—*Frances E. Willard.* 'Your work will do more to help our cause, with a tremendously big seythe, and may be guide you continually.'—*H. W. Adams, Editor of the Morning and Day of Reform.*
