Rossland, B. C., June 3.—Both shipments from this camp for the week closing Saturday night are slightly below the standard for the past month or two, largely because the Le R. shipments have been somewhat curtailed on account of the trouble at Northport. As there is every likelihood of this matter being arranged an early date the output is expected to reach the 10,000 mark within a week or two.

The details of the week's output are as follows: Le Rol, for the week, 1,240, for the year, 92,709; Centre Star, for the week, 1,740, for the year, 41,418; War Eagle, for the week, 700, for the year, 10,050; Le Rol, No. 2, 040, for the year, 17,085; Rossland, W., for the week, 1,040, for the year, 7,281; Iron Mask, for the week, 40, for the year, 2,053; I. X. L., for the week, 25, for the year, 104; Velvet, for the year, 503; Evening Star, for the year, 70; Splizze, for the year, 61; Grant, for the year, 52; Portland, for the year, 24; total for the week, 4,780, total for the year 180,502 tons.

Grand Forks, B. C., June 3.—The Granby smelter, during the week ending Saturday, treated 4,472 tons of ore. Total to date, 153,327 tons.

The Winnipeg City Council.

The Winnipeg city council met in fortnightly session on Monday evening. The first business taken up was the hearing of a deputation of city ministers and laymen on the subjects of city morals. A committee was appointed to consider the matter. The finance committee reported recommending a number of accounts for payment. Also that the tender of the Franklin Press, Limited, for printing by-laws of 1900 and of the Richardson Stationery and Manufacturing company for binding same be accepted.

The committee on works recommended that a number of public works be proceeded with. That the tender of Thos. Atchison for supply of 200 cords of wood to be delivered at the city quarry and 100 cords for asphalt plant, at \$3.97 per cord, be accepted. That certain aged employees of the department be pensioned off. That the following tenders be accepted:—For supply of sewer pipe—The Canadian Sewer Pipe Co., at the prices stated in their tender. For construction of sewer in Salter street from Flora avenue to Stella avenue, and in Stella avenue from Salter street to Atkins street, Dobson & Jackson, at \$1,270.

The fire, water and light committee reported recommending: That the orders for the metres be divided, 150 of the ½ inch and ¾ inch to be procured from the Hersey Mfg. Co., at \$12.53 each, and 150 ½ inch and ¾ inch at \$11.88, and 100 ¾ inch at \$17.81, from the National Metre company. That the tender of Miller, Morse & Co., J. Robertson Co., J. H. Ashdown and Geo. D. Wood for supplies required by the waterworks department for the current year be accepted, in respect of the article upon which each tender is lowest. Orders for articles upon which each tender at the same rate to be equally divided between them. These recommendations were not adopted owing to the fact that they had to have a two-thirds majority and this was not forthcoming. A resolution was passed providing that in future all supplies be ordered through the finance committee and charged to each respective committee. Other minor matters having been attended to the council adjourned. The following notice of motion by Ald. Sharpe will be dealt with at the next meeting: "I beg leave to give notice that I will move at the next regular meeting of council that the city engineer be asked to hand in his resignation, and that he be given three months salary dating from June 1, 1901."
