NOW READY: CHURCH MEMBERSHIP OF CHILDREN (5th, 6th, and 7th Thousand.)

By REV. JOHN MUNRO, WALLACE, N.S.

"It is singularly lucid, comprehensive and exhaustive. We have never seen the argument for the baptism of children put so briefly, plainly and conclusively. We recommend it most cordially for circulation in districts where erroneous notions prevail regarding baptism, and where attempts are made to propagate what we regard as error. This tract may safely be put into the hands of young enquirers. They will not have far to seek for the 'mind' as revealed in the Scriptures."—Presbyterian Witness, Halifax.
