

ANNUAL GENERAL MEETING OF THE ENTOMOLOGICAL SOCIETY OF CANADA.

The Annual General Meeting of the Society was held, by invitation of the London Branch, in their Rooms, City Hall, London, Ontario, on the 7th of July, at 3 p.m. The President, Professor Croft, occupied the chair, and the following members were present:—From Toronto, Messrs. Sangster, Clementi, Bethune, and Osler; from London, Messrs. Saunders, Reed, Barber, Griffiths, Puddicombe, Denton, Chapman, Waterman, and Simpson.

The Secretary-Treasurer read the minutes of the last meeting, the Financial Report, and the Reports of the Quebec and Toronto Branches; on motion, they were adopted as read. Letters of apology for non-attendance at the meeting were read from various members who were unable to be present, and a communication respecting the 17th Annual Meeting of the American Association, to be held at Chicago, in August.

The meeting then proceeded to the election of officers for the year 1868-9, with the following result:—

President—Professor Croft, D.C.L., University of Toronto.

Vice-President—Johnson Pettit, Esq., Grimsby; William Saunders, Esq., London.

Ex-officio Vice-Presidents—Rev. O. Brunet, President, Quebec Branch; J. M. Denton, Esq., President, London Branch.

Secretary-Treasurer—Rev. C. J. S. Bethune, M.A., Credit, Ontario.

Curator—W. H. Ellis, Esq., B.A., Toronto.

Council—G. J. Bowles, Esq., Secretary, Quebec Branch; E. Baynes Reed, Esq., Secretary, London Branch; J. H. Sangster, Esq., M.D., Normal School, Toronto.

Several American Entomologists of note were then nominated for election as Honorary Members at the next meeting.

After some discussion, a resolution was unanimously passed respecting the publication by the Society of a small periodical to be called the "CANADIAN ENTOMOLOGIST," under the editorial management of the present Secretary of the Society.

At six o'clock the meeting adjourned till 8 o'clock p.m., when the members proceeded to the examination, comparison, and discussion of Longicorn Coleoptera. Large and interesting collections of this family of insects were exhibited by Messrs. Saunders, Croft, Bethune, Reed, Sangster, and Clementi, representing nearly all the species enumerated in the Society's list as Canadian, and also a few not before taken in this country. A few Lepidoptera new to Canada, an interesting collection of Larvæ prepared by Mr. Saunders, many beautiful works on Entomology, including Dr. Glover's unpublished plates of Lepidoptera, and other objects of interest were also exhibited; these, together
