

IMPORTANT TO PRINTERS. PRINTERS' INKING ROLLERS!

ANGLO-AMERICAN COMPOSITION, 45 cts. per lb.

NO BETTER IN THE MARKET!
SHRINKS LESS THAN ANY OTHER. WARRANTED TO RE-CAST.
CAN BE KEPT IN STOCK LIKE PAPER.

NEVER GETS SO OLD THAT IT CANNOT BE RE-CAST.

ROLLERS NEVER "SKIN OVER."

This Composition is so far ahead of any other kind that many leading offices have adopted it altogether, after having tried all kinds. It is the cheapest material for rollers that can be manufactured. The special advantages claimed for it, which claims are borne out by its use, are that it **shrinks less and is far more durable than any other**, retains its suction and elasticity always and never "skins over." Can be re-cast when the roller gets old, thus replacing it with a new one as good as the original.

WHAT OTHERS SAY OF THE ANGLO-AMERICAN:

To H. FINLAY,
St. John, N. B., Feb. 23, 1876.
SIR,—I have used your Composition (Anglo-American) for job-press rollers for the last six months, and am perfectly satisfied with the results. They last longer and ever better every way than any other Composition I have ever had to deal with. I think the Composition is by far the best which has yet come into printers' hands.
Yours, etc.,
ROBT. McALLISTER,
"Globe" Job Office.

To H. FINLAY,
St. John, N. B., Feb. 23, 1876.
SIR,—Your Composition (Anglo-American) for Printers' Inking Rollers is, without exception, the best I have ever used, and I must say that for the last thirty-five years I have tried many. Yours, etc.,
ANTOINI LAPOINTE,
Pressman "Daily Evening Globe" Office.

To H. FINLAY,
St. John, N. B., March 13, 1876.
SIR,—I have used your Anglo-American Composition for form and distributing rollers for a fast double-cylinder press, and I have found them to retain their suction and do good work, with constant running, for six and seven months. It is the best I have ever used in my long experience in the printing business, and would recommend all printers to give it a trial. They will find that it will do good work and give good satisfaction.
Yours truly,
T. ROSSIGNOLL,
Pressman "Daily Telegraph" Office.

To H. FINLAY,
St. John, N. B., March 2, 1876.
SIR,—Having used rollers made from the Anglo-American Composition in the Saint John *Daily News* establishment for the past six months to my entire satisfaction, I have no hesitation in recommending it to the trade. All that is required is for the pressman to follow the directions which accompany the Composition and give it a fair trial. Yours, etc.,
JOSEPH WILSON,
Foreman "Daily News" Office.

To H. FINLAY,
St. John, N. B., July 24, 1876.
SIR,—The Anglo-American Composition obtained from you last October, and since, has given excellent satisfaction. The rollers then cast are in good order now, and to all appearance will remain so for some time. No trouble has been found re-casting the composition.
Yours, &c.,
McKILLOP & JOHNSTON.

AND WE REFER WITH CONFIDENCE TO ALL PRINTERS WHO HAVE USED IT.
Directions for casting, re-casting, and for keeping rollers made from this Composition, accompany each package, and any further information will be cheerfully given.

H. FINLAY, P. O. Box 1187, St. John, N. B., Canada.
