Moncton, N. B., Dec. 19th, 1890.

We hereby certify that we have examined the working formula of Estey's Cod Liver Oil Cream, and that it contains **over 50%** of the purest Norway Cod Liver Oil. We have also examined it under the microscope and compared it with several other Emulsions now on the market. **ESTEY'S** shows greater subdivision and more minute globules of Oil than any we have examined. We have also used it extensively in our practice, and having watched the process of its manufacture, recommend it as the most perfect preparation of Cod Liver Oil that has yet come under our notice.
