### PARLOR LECTURES.

**R**EV. MANLY BENSON delivered an interesting lecture last Tuesday evening in our Parlour, which was filled with members and friends. The subject chosen was "British Columbia," and the lecturer's knowledge of that far off portion of our Dominion enabled him to give a lecture, not only interesting, but exceedingly profitable and instructive. He was

listened to with deep attention, and a hearty vote of thanks was passed at the conclusion of the lecture.

### VISITORS.

**W**E have been favored with a visit from Mr. McCulloch, Gen. Sec. of the Sandusky, (Ohio) Association. Bro. McC. is spending a few days with us, and is rendering material help at several of our meetings. Mr Budge, of Montreal, also dropped in upon us for a few minutes, while on his way home from a visit to a sick relative. We are pleased to learn that the work at the points represented by these brethren is in good shape and progress being made.
