

PARAGRAPHIC.

THE VICTOR'S CROWN

Should adorn the brow of the inventor of the great corn cure, Putnam's Painless Corn Extractor. It works quickly, never makes a sore spot, and is just the thing you want. See that you get Putnam's Painless Corn Extractor, the sure, safe and painless cure for corns.

It is idleness that creates impossibilities, and where men care not to do a thing, they shelter themselves under a persuasion that it cannot be done.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous complaints, and having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 820 Powers' Block, Rochester, N. Y.

The worthiest people are the most injured by slander, as we usually find that to be the best fruit which the birds are continually pecking at.

Inflammation or sore eyes can be cured in a few days by taking equal parts of Minard's Liniment and new cream and bathing them freely at night and morning.

It is not calculable what may be accomplished in everything in life by moderate beginnings and judicious perseverance.

I can tell you, but you will never know the remarkable hair-producing qualities of Minard's Liniment until you or your friends have used it. As a hair dressing it is perfectly clean, makes the hair soft and glossy, removes dandruff and prevents hair from falling.

Habit in a child is at first like a spider's web; if neglected, it becomes a thread of twine; next a cord or rope; finally, a cable, and then who can break it?

ERYSIPELAS.—Mrs. Jane Smith, of Montreal, was cured of a grievous case of erysipelas by using Minard's Family Pills twenty days and applying Minard's Liniment to the parts affected.

It is great prudence to gain as many friends as we honestly can, especially when it can be done at so easy a rate as a good word; it is a great folly to make an enemy by ill words.

Bacon tells us that the virtue of prosperity is temperance, and the virtue of adversity is fortitude; but it depends upon ourselves whether we gather these and other precious fruits from either of these plants.

Without the friendly exchange of kindly words and deeds, without the sunshine of loving looks and smiles of welcome and encouragement, a house may be a habitation, but never truly a home.

The design of the work is threefold: (1) To furnish concise and ready answers to the popular objections so commonly raised against the Church and her services by those not familiar with her ways; (2) To bring out clearly and concisely some of the principles of historic Christianity which distinguish the Episcopal Church from all other religious bodies; and (3) To convey in the briefest space, information on the history, doctrines and usages of the Church which every layman, and especially every teacher ought to have.

CHURCH OF ENGLAND TEACHING.

By the Very Rev. Jas. Carmichael, D.C.L., Dean of Montreal. Paper 10c. Drysdale & Co., Montreal.

The Tract was written to meet the need of the many persons drifting into the Church from other Christian bodies, without a clear realization of the great landmarks of Her distinctive teaching. It condenses into a small and readable space what every one professing to belong to the Church of England should naturally realize and understand.

THE TEACHERS' ASSISTANT

To Explain and Illustrate the Canadian Church Sunday School Lessons, adopted by our Provincial Synod of Canada, Sept. 16th, 1889.

Price only 30 cents per annum.

Brimful of interesting matter on every Sunday's Lesson.

No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the class in the Sunday-school.
