In addition to the goods enumerated we have every requisite for the photographer, and as we have a practical knowledge of the business in all its branches, we have an enormous advantage over houses whose heads are simply theorists. We have enlarged our premises lately, and it will be to the advantage of our friends to pay a personal visit to our show-rooms. Should they be unable to do this, an order by letter will receive our best attention.

For the price of the following goods send for our Cabinet-makers' Spring Price List, 1875 :—
