Centennial Exposition

OF THE OHIO VALLEY AND CENTRAL STATES

CINCINNATI,

JULY 4 TO OCTOBER 27, 1888.

The Province of Ontario will be represented at this great Exposition with an exhibit of its Minerals and Mining Products, embracing the Precious Metals, Economic Minerals, Building and Monumental Stones, etc., etc.

All expenses of freight and exhibition will be borne by the Government, and as the time for making a suitable collection of articles is short, it is hoped that persons interested in the display of the Province will co-operate in making it as large and full as possible. Owners or managers of mines, quarries and reduction or manufacturing works are invited to communicate with the undersigned at Toronto, by whom full instruction respecting the exhibits will be given. Articles intended for the Exposition should reach Toronto not later than 20th June, when they will be examined and classified for shipment to Cincinnati.
