## SOUTH VANCOUVER REDEEMS TAX CERTIFICATES.

Commissioner F. J. Gillespie announced that Spitzer, Rorick & Co. had agreed to take \$200,000 for two hundred of the \$1,000-dollar treasury certificates with full and accrued interest for September and October, making approximately \$202,000. These certificates were issued by the municipality in March, 1917, and were for a three-year term, maturing in March, 1920, at 6 per cent. The entire issue was for \$450,000 and the municipality will, therefore, still owe \$250,000. As the municipality was only getting 3 per cent. from the bank for the \$200,000 or so, Commissioner Gillespie pointed out that it was good business to pay out this money and redeem the certificates, thereby saving the six per cent. interest between now and the date of their maturity.
