

PREFACE

Working Papers, the results of research work in progress or a summary of a  
study, are published by the Institute to be of immediate value for distribution in  
limited numbers, mainly to specialists in the field. Unlike all other Institute  
publications, these papers are published only in the original language.

The opinions contained in the papers are those of the participants and do not  
necessarily represent the views of the Institute and its Board of Directors.

Elaine Holoboff is a PhD candidate at the Department of War Studies, King's  
College, University of London. She is currently conducting research on Soviet arms  
control and disarmament policies under Gorbachev.
