

Article 12

Undertakings Concerning Co-operation with the System

1. Each of the Parties undertakes to assure that adequate and expeditious transportation is available from the point of entry, or within its territory, to the site of any element of the System or any area where an on-site inspection is to be conducted.

2. Each of the Parties undertakes to enter into appropriate arrangements with the Commission for the utilization of existing meteorological and commercial aircraft flights over ocean areas for routine air-sampling purposes.

3. Each of the Parties undertakes to enter into appropriate arrangements with the Commission to have aircraft immediately available for special flights, carried out pursuant to the provisions of Article 9 and Article 7 of Annex I, over territory under its jurisdiction or control or to permit such special flights by aircraft forming part of the System.

4. Each of the Parties undertakes to enter into appropriate arrangements with the Commission for the utilization of existing weather or geophysical exploration vessels for use as components of the System.

5. Each of the Parties undertakes to give inspection groups, despatched pursuant to the provisions of Article 10, immediate and undisputed access to the area in which an on-site inspection is to be conducted, to refrain from interference with any operation of an inspection group and to give such groups the assistance they may require in the performance of their mission.

6. Each of the Parties undertakes to enter into appropriate arrangements with the Commission: for the design, construction, and provision of necessary satellite vehicles; for the provision and use of launching sites and launching vehicles; for the establishment and
