## APPENDIX No. 4

PA	GE.
Impurities in seed grain	75
Grass and clover seeds.	76
Red clover and Alsike seed.	77
Alfalfa seed.	78
The effect of seed control.	78
	79
Clover seed market	79
	81
Application of the Seed Control Act	83
Root crops and vegetable seed	00
Dr. C. E. Saunders, Cerealist	85
Dr. C. E. Saukbers, Cereanst	00
TESTING QUALITIES OF WHEATS AND FLOURS, pp. 85-90.	
Appearance not a reliable test of quality	85
Determination of strength in flour.	86
Purposes for which wheat is used.	87
Appearance of wheat not a good indication of flour strength	87
	87
Variations in flour strength, due to soil, climate, &c	
Improvement of wheat and flour with age	88
Grading wheat by appearance	09
Mr. A. Monell, Chief of the Fruit Division, Department of Agriculture	01
Mr. A. Monetill, Office of the Fruit Division, Department of Agriculture	91
CANADIAN PRODUCTION AND EXPORT OF APPLES, pp. 91-112.	
CANADIAN PRODUCTION AND EXPORT OF APPLES, pp. 91-112.	
1906 a successful fruit season	91
1906 a successful fruit season	91 91
1906 a successful fruit season	91
1906 a successful fruit season	91 91
1906 a successful fruit season.  Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.	91 91 92
1906 a successful fruit season.  Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.	91 91 92 92
1906 a successful fruit season.  Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.	91 91 92 92 93
1906 a successful fruit season.  Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.	91 91 92 92 93
1906 a successful fruit season.  Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.	91 91 92 92 93 93
1906 a successful fruit season.  Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.	91 91 92 92 93 93 94 94
1906 a successful fruit season.  Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.	91 91 92 93 93 94 94 96
1906 a successful fruit season.  Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.	91 91 92 93 93 94 94 96 98
1906 a successful fruit season.  Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.  Stage of growth for picking early apples.	91 91 92 93 93 94 94 96 98 100 100
Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.  Stage of growth for picking early apples.  The weak point in transportation.  Handling of apples on arrival in Great Britain.	91 91 92 92 93 94 94 96 98 100 101 101
Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.  Stage of growth for picking early apples.  The weak point in transportation.  Handling of apples on arrival in Great Britain.	91 91 92 92 93 94 94 96 98 100 101 101
1906 a successful fruit season.  Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.  Stage of growth for picking early apples.  The weak point in transportation.  Handling of apples on arrival in Great Britain.  Canadian competition with the home growers of Great Britain.	91 92 92 93 93 94 96 98 100 101 101 101
Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.  Stage of growth for picking early apples.  The weak point in transportation.  Handling of apples on arrival in Great Britain.  Canadian competition with the home growers of Great Britain.  Characteristics of the British home growers.	91 92 92 93 93 94 94 96 98 100 101 101 101 101
Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.  Stage of growth for picking early apples.  The weak point in transportation.  Handling of apples on arrival in Great Britain.  Canadian competition with the home growers of Great Britain.  Characteristics of the British home growers.  Canada's advantages for early shipment of apples.	91 92 92 93 93 94 96 98 100 101 101 101 101
Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.  Stage of growth for picking early apples.  The weak point in transportation.  Handling of apples on arrival in Great Britain.  Canadian competition with the home growers of Great Britain.  Characteristics of the British home growers.  Canada's advantages for early shipment of apples.  Orchard by-products.	91 92 92 93 93 94 96 98 100 101 101 101 102 103
Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.  Stage of growth for picking early apples.  The weak point in transportation.  Handling of apples on arrival in Great Britain.  Canadian competition with the home growers of Great Britain.  Characteristics of the British home growers.  Canada's advantages for early shipment of apples.  Orchard by-products.  Utilization of orchard by-products—present heavy loss.	91 92 92 93 93 94 96 98 100 101 101 101 102 103
Apple exports from Canada.  Table showing export of apples from Canada, 1895-1906, inclusive.  Table showing export of apples in 1906 to various countries.  Early apples.  Export of apples to Great Britain by three and six months periods, 1901-07.  Exportation affected by home consumption.  Transportation and improved facilities on board steamships.  Boxes versus barrels for packing apples.  Cooling of Apples before placing on board ship.  Quantity and value of shipments from Montreal.  Stage of growth for picking early apples.  The weak point in transportation.  Handling of apples on arrival in Great Britain.  Canadian competition with the home growers of Great Britain.  Characteristics of the British home growers.  Canada's advantages for early shipment of apples.  Orchard by-products.  Utilization of orchard by-products—present heavy loss.  The manufacture of jams and jellies.	91 92 92 93 93 94 94 96 98 100 101 101 101 102 103 103
