first quarter of 1958 with 141,000 head being exported, compared with only 8,000 head in the first quarter of 1957.

Exports of beef in 1957 amounted to 48.5 million pounds and were 13.8 million pounds in 1956. Exports of beef in the first quarter of 1958 continued to be large and totalled 15.7 million pounds compared with 2.9 million pounds in 1957.

Progress reported.

**BUSINESS OF THE HOUSE**

**Mr. Chevrier:** May I ask the leader of the house what the business is for tomorrow?

**Mr. Green:** Tomorrow we will begin with budget resolutions, taking first the one having to do with succession duties and then, if these resolutions should go through, we will take the estimates of the Department of Agriculture.

**Mr. Chevrier:** Do I take it that once the resolution on succession duties is through, if it gets through tomorrow, we will not consider other budgetary resolutions?

**Mr. Green:** Oh no, we will go on with the other budget resolutions. Probably the second one will be the resolutions concerning income tax.

**Mr. Chevrier:** Can the leader of the house tell us what the business is likely to be on Friday?

**Mr. Green:** We expect it will be either budget resolutions or agriculture estimates. I am not sure at the moment which will be called first.

At six o'clock the house adjourned, without question put, pursuant to standing order.
