

### POST-SCRIPT.

---

An important Act, under which the Town Court for the trial of civil causes can be held every Tuesday, having passed the Legislature since this work went to press, Schedule C, page 84, has been appended for its reception. And, supposing that it will prove serviceable, an index furnishing a summary of contents, has also been added.

I. L.

TRURO, May 17th, 1879.
