

ON THE PRESENT CONDITION OF UNITED CANADA.

---

In the following work we shall take into review the various subjects thereof, in the order they are named in the Prospectus published.

And first on Agriculture. What I have published on this subject in the works named in the Prospectus, has chiefly related to the Eastern part of the Province. I shall therefore briefly recapitulate and explain the nature of the plan I therein proposed for the advance of the Agriculture of that part of the United Province, with observations in support thereof, and with arguments which I think will enforce the plan on the consideration of its Government and Legislature.

I shall then proceed to consider the present state of the Agriculture of the Western part of the Province, both as to its domestic condition and as relating to the very important change in the duties on Wheat, that has been announced to take place in the Parent State in a very short period of time.

As to the Agricultural state of Eastern Canada, it has long been a general opinion that
