Globe's affirmation of his disinterestedness. His action in demanding thru The Globe that the canceled concession be restored to the combine has more force than The Globe's protestations of

It was no friend of the public that attempted to confer on the Niagara Development Company the privilege of developing an additional 125,000 horseindividually and jointly guilty. Whose interests were they serving in thus clinching monopoly's hold on Niagara Talls? Not the public's, for neither The Globe nor Mr. Jaffray can find a corporal's guard of disinterested citizens to say that the surrender of that 125,000 horse-power to the Electrical Da. power before the company had shown

tive community of interest. And by up enough in euclid and arithmetic to been a round figure? ing W. F. Maclean for refusing to be a the "subject" of mathematics. This is strange admixture of argument, but it is exactly what was to be expected from an organ which dare not discuss the merits of its record on the Niagara power question. The World repeats—and The Globe has not yet attempted to answer this straight charge—that some of the largest holders of Globe newspaper stock are interested in Niagara power. It was the hand of this syndicate that pulled The Globe back

mathematics being styled a "subject" in framing the time-table of one of one of our high schools? Mathematics is a department, and each of its sub-divisions is a "subject."

And The Globe has not yet attempted to answer this straight charge—that some of the largest holders of Globe newspaper stock are interested in Niagara power. It was the hand of this syndicate that pulled The Globe back

Mathematics being styled a "subject" in framing the time-table of one of one of our high schools? Mathematics is a department, and each of its sub-divisions is a "subject."

Arguing on the analogy of what has been quoted, a candidate might make the prime minister of Canada, and Lady Laurier, the prime minister of Canada, and Lady Laurier, the prime minister of canada and Lady Laurier, way, "the intention from the begin beau or the begin by any, "the intention from the begin by any, "the intention from the begin by any or two after the last provincial electio syndicate that pulled The Globe back when it made an effort to break with the Ross government last year. It was not a question of saving Ross that caused The Globe to swallow its barnacle articles; it was the question of saving a friend of the power syndicate.

The gib of guestion of caesar his statement that "the intention from the beginning was to run this railway ing: "A problem which presents the greatest difficulty at the present time is the unemployed, the number of whom, to run thru Orillia, and consequently on the west side.

Saving a friend of the power syndicate. These are further facts for The Globe to explain. There is no reason why it should fly into such paroxysms of rage over the charges which identify it with Niagara Falls power. Niagara Falls power is not the first meion the general server of the Latin language.

As early as January or February. The Globe have the Morrise of trade, is should fly into such paroxysms of rage over the charges which identify it with Niagara Falls power. Niagara Falls power is not the first meion the general secretary and secretary. As early as January or February. Crowds of unemployed should ceral the Crowds of unempl the Crow's Nest Pass melon-very much in. They were in again at the cutting of the Grand Trunk Pacific. A good deal of uncertainty has arisen as to the standard for passing arisen as to the standard of examina-at the junior matriculation examina-tion. For some years past candidates were required to obtain thi ty-three per cent. on each paper. At the examinations of this year candidates were required to obtain thirty-three per cent, of the marks assigned to a subject, so that it wa still possible for a student who had obtained less than thirty-three per cent. on a single paper to pass in the subject to which that paper belonged. For example, in the sub-ject of mathematics, a candidate securing twenty per cent, in alge-

velopment Company would not have left the public at the complete mercy of the syndicate.

These are stern facts which The Globe neither meets nor attempts to meet.

The syndicate of the word subject, the force of the word subject, the force of the syndicate of the word subject, the force of the word subject in stance.

The search of the people of the word subject that the judges will deceased was for twenty years treasur-to decea neither meets nor attempts to meet. cation of the word subject, the force of candidate in algebra provided he makes the amount paid is known to have way of variation it winds up by attack- entitle him to thirty-three per cent. on party to the salary grab. TAX ON TRAVELERS STAYS CANNOT RENT AUTOS.

Prohibitive Ruling of Authorities Makes it Unprofitable.

THE TORONTO WORLD

For renting his automobile without first obtaining a vehicle license W. J. Macklem of Macklem's Delivery was arafternoon. The defendant was willing Province Wants Those Branch Offices to take out a license if the magistrate would not make any ruling in regard

would not make any ruling in regard to the rates he charged.

"The bylaw of the board of police commissioners," said Inspector McClellan of the police clerk's department, "states that no person can charge more than \$1 an hour for the hire of any vehicle. Four dollars an hour has been Macklem's rate for his automobile, which will only hold four people."

"There are four companies in the city which rent automobiles," said Mr. Macklem. "There is not much money in it at \$3 an hour, but there is no money at all in it at \$2. The lowest rate in the cities on the other side is \$2 an hour, but the cost of the machine is a great deal less, while gasoline costs about one-third of Canadian prices."

It was decided to adjourn the case until next Wednesday in order to bring the other companies before the court.

## T. EATON COLIMITED

## BETTER VALUE

The keynote of future greater selling in the FATON business is contained in these two words: BETTER VALUE. These words are easy enough to write, but we mean what we say, and we'll prove it to you every day. At no time have we receded an inch from our position as leaders in value-giving, and now, because we're nearer than ever before to the actual original cost of the merchandise we sell, we promise you BETTER VALUE.

The proof of value is in the goods. See them. Prove EATON value BEST or we can't expect your business. Put us to the test to-morrow.

## Men's Single Sacque Suits

represent an offer that cannot be allowed to pass. These are the very suits for Exhibition and early fall wear and are distinct chances. Fashionable cut, make and excellent material-what more could you desire?-at a merely nominal figure. You want to see these suits, men, to appreciate the offer being made, so come right in as early as you can. Worsted Trousers are being turned out of stock and very liberal reductions have been made to clear. Plenty of wear in them.
