Montreal, Nov. 9.—The World correspondent has been informed tonight that the pro. hockey trouble is settled and that Toronto will be in the N.H.A. circuit this winter. The story goes that the Toronto Arena directors have purchased the Toronto franchise in the N.H.A. and that all the players will go with the purchase.

OAKWOOD CAPTURE THE SENIOR TITLE

Defeat Technical Handily in Deciding High School League Game.

Technical seniors do not have much opposition for the eastern group honors in the High School League, and some names this as the excuse for their failure to land the high school title. A bitter fight was won for western division title, and Oakwood entered the final after the most strenuous kind of an argument. They were right on edge and used to hard battling when they lined up against Technical in the final.

Soccer Notes

Today at Varsity Stadium the first of the Kenyon Charity Cup soccer semi-finals will be played. The contesting teams will be Dunlop, Robber, T. and D. League champions, 1917, and Royal Canadian Dragoons. The latter claim, with their improved team, that they can take the measure of the champions, and with that end in view have been training hard for the game. The champions are equally confident of winning and make amends for their defeat last week by nearly certain that they will win today's game.

All football players and supporters of the Usterites in general will regret to learn the sad bereavement that has befallen the Forsyth Brothers of Uster, two of their most popular players, in the death of their mother, who passed away yesterday after a lingering illness.

The Army Medical Corps teams of the Base Hospital will play Old Country in a Levee Cup fixture on the Don Plains this afternoon, at 2:45.

Five Teams Tied in Boston Bike Grind

Boston, Nov. 9.—Five teams had covered 979 miles three laps at 10 o'clock tonight in the six-day bike race here. These leading teams were: Spensers, Thomas-Lawrence and Drobach-Piercy, the Grim-Sullivan team, of New Haven, was one lap behind, while three other teams, Carmen-Smith, of Newark, Eaton-Cameron, of New York, and Booth-Brothers, of San Francisco, were three laps behind the field.

TO MIKE MALONE AND JACK GOOCH.

The memories of two great Toronto hockey players will be honored tomorrow when their names will be unveiled at Paul's Church Sunday morning to Lieut. John G. Gooch and Lieut. Maurice E. Malone, who were killed in France doing their bit for their country.

WEEKLY SPORT LETTER

By Frank G. Menke.

New York, Nov. 10.—It isn't going to require any considerable exercise of the thinking apparatus this year to name the mythical All-American backfield.

None can deny a job to Elmer Oliphant of the Army service. For two seasons he has stood out as one of the most remarkable half-backing persons the gridiron world ever has produced.

And his mate, there is Everett Strupar, who has been performing in a spectacular fashion for the greatest Georgia Tech eleven. Commenting on the brilliant southern, Bob Fowlie, whose penny eleven was coached by Strupar, associates, has this to say:

"Gosh, ol' gosh! I wish he was a Pennsy student. No greater praise can a coach bestow upon a player than to wish him on his native soil."

According to the other Georgia Tech, Strupar likes to be called "The wadding out of the enemy linebacker that the target of his interceptions. Pennsy consider him quite a rough young person—and a grand and glorious footballer."

LOCAL RUGBY TEAMS WILL BATTLE TODAY

One of the most important games of the season will be staged this afternoon at Scarborough Beach when Capetia and Parkdale clash for the second time this season. Capetia has won two games and lost one and have to win this afternoon in order to stay in the running.

"Red" Parks, the big line plunger, is in town and will meet the Tech team at this afternoon at the Beach. He is said to be a good tackler and weighs 204 pounds.

"Dutch" Bronhy and Friche Fox, the two star half-backs of the Parkdale team, are expected to be in the game this afternoon.

There will be two new players on the Capetia line-up this afternoon. They are "Abe" Mainwaring and Jack Armstrong, both well-known gridlers.

"Red" Flannery, the alert and bowing line star, will play with the Tech team this afternoon at Hamilton, when they meet the undefeated Tech team. Rose Craig, the big Dundas line plunger, will also be in uniform.

Things to worry about: Can Tech beat Tigers? If they do this will give the Caps a good chance for the O. R. F. U. honors, providing they slate another victory today.

BAN JOHNSON COMING. President Ban Johnson of the American League will pay a visit to Toronto, probably about the middle of the month. The following letter has arrived at the office of Mayor Church from Johnson:

Dear Mr. Mayor: I have your kind and considerate letter of recent date, and was pleased to hear from you again. I am leaving for Dover Hall, in South Georgia, in the hope of riding myself of a heavy cold contracted at the recent world's series, and will be absent from Chicago for ten days or two weeks. On my return to the north the American League will hold its annual meeting, and what work is completed I will accept your invitation to visit Toronto. I am especially interested in the Canadian war situation, and will be glad to accept the opportunity to secure some facts thru the medium of your trying experience.
