

Halifax, St. George's £40 17 8
We have much pleasure in noticing the receipt of £15 8 6 from the congregation at the Bishop's Chapel.

Kentville £4 12 0
And for W. & O. Fund 0 16 1
Liverpool has sent the noble contribution of 78 12 5

Which is £10 more than last year's return; but we regret to say they did not send in a list of Subscribers in time to appear in this Report.

Lunenburg has sent 20 0 0

But the list has not been sent in in time for publication. The Rector of that Parish thus notices the contributions of his people:

"Beside this, I have now another Church in hand requiring immediate repairs to the amount of £70, and this sum is already half made up. Our new Organ and an Organist for teaching and training the Organ pupil and choir, have also drawn heavily upon us.

"During the year we have also aided other Churches at Bridgewater and Barington to the amount of nearly £50.

"Thus my respected fathers and brethren will see that we have been doing not less, but more, for Church objects, though a smaller amount than usual is remitted to the D. C. S. I hope however to have a little more by the annual meeting in June, till which time our list of Subscribers' names will not be complete."

Maitland £14 12 3

This is the first contribution from this place since it was set apart from Rawdon. Some who formerly subscribed in the Stewiacke list, now send their contributions through Maitland.

Mahone Bay—no return made.

Manchester—no return.

Melford 2 5 4

"The amount contributed (says the Missionary there) may appear small when compared with the sums raised in a number of the Parishes, yet taking into consideration the circumstances of the people, it is quite as much as I could reasonably have expected at present. In all probability we shall (D. V.) be able to effect more for the Society another year, according as its nature and operations shall have become better understood, and its usefulness more generally known and appreciated."

Musquodoboit—no return, except a collection of 18s. 9d. for W. & O. fund.

New Dublin £22 1 6
And for W. & O. Fund 2 0 0

Domestic affliction in this Parish prevented the Rector from devoting as much time as usual to the collection.

Newport & Walton 15 0 0
And for W. & O. 2 0 0

Which is a large increase upon last year's contribution.
