WOMEN'S COUNCIL WILL MEET IN TORONTO

St. John Women Will Attend Gathering of International Council From June 18th to 20th in Ontario Metropolis --Good Programme Planned

The world-wide interest in the great quinquennial congress of the International Council of Women to be held in Toronto from June 18th until 20th, grows daily as the time approaches for that great meeting of the women of all countries and tongues.

The President, Countess of Aberdeen, the officers and convenors of international standing committees, the presidents and patrons of the National Councils of Canada and the United States, with more delegates from each together with many noted speakers, will during that meeting be entertained by the Toronto local council and be the guests of the National Council of Canada. The foreign visitors, numbering about 150, will receive hearty welcomes in Montreal and Ottawa on their way to Toronto. An incomplete list gives the following figures of delegates: From Great Britain, 65; Germany, 25; Holland, 11; Sweden, 5; Denmark, 4; Tasmania, 4; Victoria, 3; New South Wales, 2; South Australia, 2; Queensland, 1; Belgium, 7; Norway, 3; Austria, 1; Greece, 1; Smyrna, 1.

The congress will be held in nine halls in the University buildings, and may be attended by anyone holding a ticket for the entire congress or for any one day.

The various sections are philanthropy, educational, industrial, health and physical training, literature, social and moral reform, laws that concern women and children, and positions for women. There will be morning and evening sessions and six evening meetings.

Many large social functions will also take place of which there will be a reception on June 17th, by the Mayor of Toronto, and Mrs. Oliver, later a reception by Mrs. Sanford of Hamilton, at her residence in that city, at home by Lady Edgar, president of the Canadian Council at her summer home on Lake Simcoe; and a luncheon by Mrs. T. M. Harris, at the Lambton Golf Club.

The Canadian delegates are Lady Taylor-Hamilton, Mrs. Edw. Edmonds, Mrs. McLeod, Mrs. Thomson, St. John, N. B.; Mrs. Boomer, London; Miss Derick, Montreal; Mrs. Torrington, Toronto; Mrs. McEwen and Mrs. Deane, Halifax; with substitutes, Dr. Augusta Stowe Gullen; Dr. Ritchie; Mrs. Asa Gordon; Mrs. (Senator) Frost; Mrs. Asa Gordon; Mrs. Waycott; Miss Fitzgibbon; Miss Mabel Peters and Miss Ritchie.

Mrs. Robert Thomson, formerly president of the National Council of Women and now holding the office of vice president, will be the delegate of the local council at the meeting. There are nine delegates from all over Canada. Miss Mabel Peters, Mrs. David McLellan and Miss Elizabeth Robinson Scovil will also go from here to attend the meeting. Miss Scovil will read a paper before the council on "Pure Food."

Those attending the meeting are to be entertained to a trip to Niagara by the Historical Society of Toronto and at the close of the meeting a trip through western Canada as far as Vancouver has been planned. A very large attendance is looked for as there will be about two hundred women from abroad as well as those attending from the United States and Canada.

On July 1 the National Council of Women will hold their annual meeting in Toronto, when Mrs. McLellan, president of the local council, and a member of the national executive, will attend with five delegates chosen from the local body.

THE FISH MARKET

A Few Harbor Shad Offered, but Prices are High—More Expected Next Week.

Harbor shad has now a place in the fish market, although the price is somewhat prohibitive. Small quantities of shad have been caught in the harbor nets and it is expected that the catches will be of large volume next week, otherwise the shad season is likely to prove a failure. Local retailers are demanding 35 to 50 cents for shad.

Lobsters are quite abundant and the retailers here are receiving large sized shipments from St. John and Anticosti county points and also from Westport, N. S. However, all fish from the latter port arrives here only once weekly as the town is not connected with a railroad and the steamer Westport which plys between Westport and adjoining ports and St. John makes but a weekly trip each Thursday to St. John. The shipments arrive opportunely however and are appreciated by the dealers in view of the local trade.

Practically all the lobsters consigned to local dealers are alive and are conveyed to the consignees. Most of the lobsters received from provincial sources are conveyed in vehicles and are cooked. The principal points from which they are obtained are Musquash and Chance Harbor. At Musquash and Black River where lobsters were particularly abundant five years ago they are now seldom caught. Lobster prices range according to size, from ten to forty cents each. Shad are selling at from thirty-five to fifty cents each and gasperaux are obtainable at twenty cents per dozen. Haddock and codfish are selling at five cents per pound and Halibut at fifteen cents per pound. Mackerel have yet to visit local waters.

MARINE NEWS

The Yarmouth, N. S., steamer Usher, bound from Conception Bay for Europe, called at Montserrat on Saturday, cooled and proceeded.

Sabra Navala and Jennie A. Stubbs are among recent arrivals at St. Andrews, N. B., from New York. They are consigned to E. DeWette.

The charter of the steamer Prince George to the Bermuda Steamship Co. will expire on May 15th and will come to rest for an overhauling. It is expected that she will go on the Boston route about June 15th.—Yarmouth Times, May 11.

Tuesday's Yarmouth Herald says:—Government steamer Lansdowne, Capt. Binnet, arrived here on Saturday afternoon from the lightship Anticosti, after supplying her with coal and stores. Two immense anchor buoys in position along the coast.

Contractor Reid, of Westport, Campobello, has had her transferred to the registry of Canada. He was obliged to do this in self defence, as the customs authorities at Ottawa refused to allow him to use an American flag even when his property was engaged. The Phantom is a staunch and powerful little boat and will be used for general trades. She is in command of Capt. Frank Johnson, than whom there is not better master in these waters.

The lightship Lurcher came off the marine railway on Saturday night's tide at Yarmouth N. S., and the other lightships, belonging to George A. Cox, Esq., of Shelburne, took her place from the cradle. Two immense anchors for the Lurcher have arrived, and she will probably be placed in position this week.

The British ship Erna, which has been purchased by Boston owners for the River Plate trade, is now on her way to Boston from Liverpool and will immediately load lumber for the River Plate. She is in command of Captain Pickens, formerly master of the Boston barkentine Allawaldie. The British ship Erna had completed loading 1,000,000 feet of lumber for Buenos Ayres.—Boston Globe.

The 81-foot schooner B. B. Hardwick and her master, Capt. John W. Berry, have visited Boston so many times that vessel and captain are well known to everybody who keeps in touch with shipping. For 12 years Capt. Berry has reigned on the quarter-deck of the little British cruiser. Yesterday he was accepting congratulations from the crew of the B. B. Hardwick, which was on her way to Boston, N. S., with a rare burst of speed, her deck late for 25 hours before 200 miles. Lashed to the deck of the two-master were 100,000 feet of lumber for foundations of buildings, and in the hold were 80 cords of wood.

Capt. Berry and the schooner figured in another quick run during the Spanish war, when she carried a cargo of plums from the Bahamas to Baltimore in six days. The captain never moment expecting an enemy war vessel would have in sight and riddle his craft with shot. This passage was made in half a mile, but the schooner's topsails were carried from port to port.

Capt. Berry has followed the sea for 44 years, some of the time in square-riggers.

Mr. George Pinkney, of Montreal, is in the city on a business trip.

PROBATE COURT

Estate of Charles Frederick Harrison. Petition of Eva Cowan, formerly the widow, and Walter A. Harrison, a brother setting forth that deceased died in South Africa while serving in the First Battalion Canadian Mounted Rifles, Second Contingent. Administration asked for for the purpose of obtaining the land grant for such service. Walter A. Harrison is appointed administrator. Mr. L. P. D. Tilley, proctor.
