THRESHER

And L. D. S. Portable Engine,

Grain-Saver Threshers, Eclipse Threshers for small horse-powers, Pitts Horse-Powers for 2 to 12 horses, Tread Powers for 1, 2, 3 or 4 horses.

THE HAMILTON PEERLESS THRESHER, the latest and best Thresher in the market, is a more rapid thresher and will clean grain better than any other. It is simple in construction, has the finest shoe and chaffer in existence, solid in build, and is admitted (as it is guaranteed) to be **the Best Thresher in all kind and conditions of grain** ever invented.

THE L. D. S. PORTABLE ENGINE—Plain and Traction—is the simplest, best, most powerful and economical engine in use. Uses less wood and water and will drive the largest separator or clover mill to the fullest capacity. It is just what the threshermen want—a light, strong and durable engine, capable of steady and continuous duty for many years. No one, if he study his interests, should order any other without first seeing the **Hamilton Threshing Rig**.
