FIGHT EXTENSION OF MONTREAL STREET RAILWAY FRANCHISE

Interim Injunction Against Civic Authorities Agreeing to it.

Montreal, July 2.—The agreement to give the Montreal Tramways Company an extension of franchise, as passed on Wednesday by Mayor Martin, Controller Hebert and Controller Cote, despite an interim injunction to stay their action will not go to the city council next Monday. A second interim injunction reached the city today, and everybody in sight is restrained by this document from proceeding any further in the matter until the court decides whether the injunction shall be permanent or not. This question will come up next Tuesday.

GIANT AEROPLANE NEAR COMPLETION AT TORONTO

Will Be the Most Powerful Aerial Fighting Machine in the World—Will Be Named "Canada."

Toronto, July 2.—The giant aeroplane now under construction for the British government at the Curtiss works in Toronto is to be completed this month, and will be one of the most powerful, if not the most powerful aerial fighting machine in the world.

The general lines of the America are being followed in the design, but several departures in details will make her a distinctive type, which will be known as the "Canada," that being the name which will be bestowed on the machine when finished. While the America type is a hydro-aeroplane, the new flying machine will be of the land type. She will carry a machine gun and a plentiful stock of ammunition and explosives.

BANISH BILE!

A bilious condition of the system is the result of inaction of the liver, often causing severe headaches through the eyes and temples, commencing sometimes in nausea and vomiting, which is frequently followed by a bilious diarrhoea.

Abbey's Efferescent Salt, when taken as directed, stimulates the peristaltic action of the stomach and increases the contraction of its muscles from above downward. This action is communicated to the intestines and increases the flow of the intestinal juices, thus stimulating the action of the liver to pour out the bile, when it can be carried downward by the laxative action of the salt, instead of remaining to clog up the liver and flow back into the stomach.

Thus, if a person who is subject to biliousness and bilious headaches will use Abbey's Efferescent Salt, the natural action of the stomach, liver and intestine will be kept up and so bile can accumulate in the system.

WHY YOUNG GIRLS GROW PALE AND WEAK

The Blood Supply is Deficient and Unless the Trouble is Remedied Consumption May Follow

When girls grow weak, pale and miserable, then is the time for parents to take prompt steps. Delay means danger—perhaps consumption. The girl in her teens cannot develop into a happy, robust woman without an abundant supply of rich, red blood in her veins. It is the lack of this good blood that is the great trouble with nine girls out of every ten. They grow weak and depressed; lose their appetite, are breath- less after the slightest exertion and suffer from headaches and backaches. When girls are in this condition there is no medicine can compare with Dr. Williams' Pink Pills. In the use of these Pills there is splendid vigorous health, with glowing cheeks and sparkling eyes, for every unhappy fragile girl who is struggling on to womanhood in a wretched state of health. This is why thousands of girls and women, no robust and attractive, are constantly recom- mending Dr. Williams' Pink Pills to their suffering sex. Miss Edith Brousseau, Savona, B. C., says: "At the age of fourteen I became very anemic, I was as pale as a ghost, suffered from head- aches, severe palpitation of the heart at the slightest exertion. I had little or no appetite and seemed to be drifting into a decline. I was attending high school in Vancouver at the time, and the doctor advised me to stop. I did so and did not help me for some time, but it was a friend of a friend I began taking Dr. Williams' Pink Pills and in a very short time they gave me back complete health and enabled me to resume my studies. I have enjoyed the best of health since, and owe it all to Dr. Williams' Pink Pills."

These Pills are sold by all medicine dealers or may be had by mail, post paid, at 80 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

FRECKLE-FACE

Sun and Wind Bring Out Ugly Spots How to Remove Easily

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of obline—double strength—from any druggist and a few applications should show you how easy it is to be rid of yourself of the horrid freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength obline as this is the pre- scription sold under guarantee of money back if it fails to remove freckles.
