#### RECENT WEDDINGS

**Wry-Chapman.**  
Sackville, May 11—A pretty nuptial of much local interest took place at 11 o'clock yesterday morning, at the home of the bride's sister, Mrs. J. M. McIntyre, Allison avenue, when Miss Margaret Beatrice Chapman, formerly of Sackville, was united in marriage to Louis A. Wry, son of Mr. and Mrs. A. E. Wry, of Sackville. Rev. Dr. C. F. Wipac, rector of St. Paul's church, officiated at the ceremony, which was witnessed by young friends of the popular young couple. The bride, who was given away by her brother-in-law, J. M. McIntyre, was becomingly attired in a traveling suit of navy blue tulle, with hat to match and carried a bouquet of Ophelia roses. The ceremony was held at the residence of the bride's sister, Mrs. J. M. McIntyre, and the happy couple were the recipients of numerous handsome and useful wedding gifts, including silverware, cut glass, linen, furniture, etc. The groom's father is building a house for them.

Mr. and Mrs. Louis Wry left for Boston and New York on their wedding trip, followed by the best wishes of a host of friends. On their return they will reside in Sackville.

Among the out-of-town guests were Mrs. George Secord, of Apohaqui, and Miss Helen Miller, of St. John.

#### RECENT DEATHS

**Miss Annie Walker.**  
Fredericton, May 11—(Special)—Miss Annie Walker, second daughter of former Mayor J. W. Walker, of Maryville,

succumbed to infantile paralysis at an early hour this afternoon after an illness of several weeks' duration. It was thought for a time that her condition was improving. She was aged fourteen years.

The funeral of the Hon. G. Hudson Fletchell was held yesterday afternoon at his late residence in Clifton. A party of thirty Masons from Hampton were present at the service. Service was at All Saints' church and was conducted by Rev. Henry Waterton, rector of Kingston. The Masonic burial service was conducted by Rev. C. Gordon Lawrence, grand chaplain of the Masonic order in New Brunswick. The pall-bearers were six past masters of the Corinthian Lodge, of Hampton, of which the late Mr. Fletchell was a member. Among the visitors present were Colonel S. S. Wetmore, of Halifax; Edward Bates and A. H. Wetmore, of St. John; G. O. Dickson, Otty and George B. Hallett, of Hampton.

#### FATHER DEAD TO THIS SON.

Court Refuses Divorced Man's Application to See His Child.

(New York Times.)  
Supreme Court Justice Lehman decided yesterday that Edward Gallager, a lawyer, of 46 Pine street, who was divorced eight years ago by Mrs. Blanche Gallager, could not see his boy, because the father has paid nothing for his support, has made no previous application to see him, and the boy's mother, who had re-married, taught the child to believe his father was dead.

The Court said: "By reason of the attitude of the defendant, the plaintiff had been able until now to keep the child in ignorance of the existence of his father, and the

Dumphy Says He Merely Answers "Tanlac" when Questioned on What Made Such a Fine Change in His Health.

"While I was in France during the war I contracted rheumatism from exposure, but Tanlac has completely restored me," said James Freeman Dumphy, 88 Simonds St., St. John, N. B., who was over two years in a hospital. "I had treatment in five hospitals, but got so bad I could neither bend over nor walk, and could hardly feed myself. My pains were awful and even violent. My treatment did me no good. A nurse in a hospital told me she used Tanlac with good results, and I tried it. Well, I was soon getting about and now all my pains are gone and I feel simply fine. I sure owe a big debt to Tanlac."

Tanlac is sold by all good druggists. child believes that his father is dead. The plaintiff has remained and it seems to me that at the child's tender age the effect of telling him that his father is still living, and permitting his father to see him and influence in the future his thoughts and actions, presents such danger to the child's welfare and the proper discipline of his home that this danger outweighs the advantage which might accrue to him through intercourse with his father. Therefore, though with grave doubt and hesitation, I have decided that defendant's motion should be denied, but without prejudice to a renewal thereof if circumstances change or when the infant is older."

**LITTLE ONES ENTERTAINED.**  
A successful entertainment with reception of the Cradle Roll babies and their mothers was given on Wednesday afternoon by the Cradle Roll superintendents, Mrs. E. MacLean, assisted by Mrs. Hutchinson, in the Main street Baptist church. The programme consisted of welcome by Maude MacLean, recitations by Edith Waters, Lillian Waters, Florence Spence, Elizabeth Williams, Marion Shields; piano solo by Ruth Perry, reading by Olive Estabrook. "The Cradle Roll Ode" was sung by Edna Waters. Ice cream and cookies were served by Mrs. Walter Perry, Miss B. Babbitt and Miss S. Grant. The Cradle Roll has 115 members, of whom about seventy-five were present.
