Hear this from one of our most intelligent nded icton farmers. "Seeing a notice of Clark's Derby Condition Powders in your paper that they were equally good for stock and inving already were equally good for stock and finving already Gov-lost a number of cows this spring from red water, I determined to try them? I had presidents viously used other kinds of Condition Powders without the desired effect. I had not given them more than one or two doses when they began to mend, and they are how entirely over it. As this is a disorder generally considered, among us, difficult to cure, I think you should make the fact known that a remedy so minds and effective is an easily obtained d imple and eff-ctive is so easily obtained [-
