SATURDAY MIGHT.

Placing the little hats all in a row, Ready for church on the morrow, you know Washing wee faces and little black fists, Getting them ready and fit to be kissed ; Putting them into clean garments and white; That is what mothers are doing to-night.

Spying out holes in the little worn hose, Laying by shoes that are worn through the

Looking o'er garments so faded and thin-Who but a mother knows where to begin? Chan ing a button to make it look right-

Calling the little ones all round her chair, Hearing them lisp forth their soft evening prayers, "alling them stories of Jesus of old,

Who loves to gather the lambs to His fo'd: Wat ming, they listen with childish delight -That is what mothers are doing to-night.

Creeping so softly to take a last peep, After the little ones all are asleep Anxious to know if the children are warm. Tucking the blanket round each little form : Kissing each little face rosy and bright -That is what mothers are doing to-night

Kneeling down gently beside the white bed Lowly and meekly she hows down her head, Praying as only a mother can pray. God guide and keep them from going astray.

THE CHRISTMAS TREE. The Christmas tre : is doubtless of Gernan origin. Though in its present form it is comparitively of recent

First Annual Report

School Trustees, District No. 1, ST. ANDREWS.

The Trustees in compliance with the Law, and for the information of the inhabitants of the District, beg to submit the following Report for the

Drafts issued on St. John New York, Boston ble, and to secure to the District a fish quota of Pertland, also in Ontario, Quelece, Nova Scotia, the County fund, the Trustees immediately after California and British Columbia. ble, and to secure to the District a felr quota of graded, thus reducing the number of classes proceeded to ascertain as near as possible, what their studies. District. They found it necessary to provide in- to qualification, and we have some difficulty in ion of the Parish School building, with 40 desks that attention at the hands of the Master they reand benches. After spending much time endea- quire, and thus time at school is nearly wholly lost voring to find suitable rooms, they ren'ed three, The Board have had less completets from Pathe best that could be obtained, and by the kind- rents than they anticipated the the placing of childabled to provide temporary accommodation, so is objection on this ground by centering the schools or to open the Schools on the 24th January last; one Block, and having as many schools under one They immediately advertised for Teachers, e. roof as possible, where younger children can be gaged five, and notified the children to appear f r cared for by older ones, in going to and return-
