Seine Boat & Rigging.

THE MOUND BY YELLOW CREEK. that at last I had reached Leg o' Muttor Prairie. Behind me was the shank, Oddly enough, a live sheep has never which I had traversed from trotter to just

growing is out of the question; and against the meat of the animal the natives the fillet. The little forest-ringed prairie been see on Leg o' Mutton Prairie; woolentertain a singular prejudice, in common was five and a half miles in length, and with many other Americans. Most people know something of the tyranny of the imagination, as illustrated by the figures that will not fade, the faces that will not ricening crops of barley, wheat, and Inpass, from ceiling, wall, and drapery.

The same tyranny compels us to see a lion dian corn. In the middle of the plain and a lamb at Grasmere, and an elephant's head from the Crawford House in the White Mountains. Leg o' Mutton | extent, which gleamed in the sunshine like a great silver shield. On the western Prairie without its name would resemble a leg of mutton only in the eyes of men wooden houses painted white, with wide verandahs, green shutters, and seemingly who were more familiar with the carcasses of wolves and bears than of sheep. But with the name there goes the subtle virtue of the imagination, which, for the betue of the imagination, which, for the beholder, impresses upon the beautiful idyllic nature was a small island in the plain once and forever the shape and im-

age of its name. I shall never forget my first view of Leg o' Mutton Prairie: surfirst view of Leg o' Mutton Prairie; surrounded by a dark forest, it lay in the was a heavy growth of timber, while to sunshine like a radiant lake, full of all the south and west were lawns, gardens, manner of strangely beautiful lights and and ornamental grounds, which at a discolors, and the softest witcheries of tance, appeared to be divided from each shadow and sound. For five or six days
I had been wending my way, on horsesides with great banks of flowers, that back and on foot, through an intermediate stretch of backwoods. Shut out from the free air, and with only an occasional like imprisonment of the backwoods, I glimpse of the blue sky beyond the trees, one began to have curious sensations, as of living in some strange under-world of dim lights and sad sounds. Thrice I came upon a huater's lonely cabin; one con- many things in which there is really tained a solitary woman. She was young, much. Still there was something in i almost handsome, and was playing a vio-

in, because, as she sail, she was very 'lone," her husband having gone to the mill thirty miles off, and would not be WILL present an opportunity to extend the fame of Dr. Fowler's Extract of Wild Strawberry the unfailing remedy for cholera, cholera morbus, colic, cramps, diarrhosa, dysentery, and all summer complaints, to every part of the Empire. Wild Strawberry never fails. in years from seventeen to five. These which was the same as telling my horse in people of the under-world were all tall English that he was free to graze, but and pale, with curiously bright eyes. was not to stray more than a few yards Once I had to make a detour of some from my side. I lighted my pipe, and miles to escape a swamp, which no horse sat within the shadow of a large black-All have equal rights in life and liberty and the pursuit of happiness, but many are handicapped in the race by dyspepsia, billiousness, lack of energy, nervous debility, weakness, constipation, etc., by completely removing these complaints Burdock Blood Bitters confers untold benefits on all sufferers.

Could cross, and was only open to man by crossing the innumerable beaver dams; it trunk; within a couple of feet to my right, the ground sloped steeply to the grassy prairie below; to my left was a wild turkey. I wanted a bear, but it small belt of tall hickories, which grew in the midst of a dense clump of bushes. I could cross, and was only open to man by walnut tree, with my back against the was, moreover, a veritable bear camp. I right, the ground sloped steeply to the The Success OIL STOVI Parlor and Cooking Stoves was summer, and in summer bears are the midst of a dense clump of bushes. I lean, and travel fast, and keep their dis- had been smoking perhaps ten minutes, tance; in winter they are fat with hickory | when suddenly I heard my horse give a nuts and different kinds of mast, short of snort of alarm. I looked to my left and gren as breath, and lazy,-this is the hunter's beheld him quivering with terror, close to

harvest time. But though they kept to the thick undergrowth. Wondering what Great and timely wisdom is shown by keeping Dr. Fowler's Extract of Wild Straw-berry on hand. It has no equal for cholera, cholera morbus, disrrhes, dysentery, colic, cramps, and all summer complaints or looseness of the bowels.

had startled him so, I was on the point of springing up, when I caught sight of something, just inside the bushes right in front of me, that brought my heart, as the strength of three or four men, they had turned over fallen decayed trees, in saw were two bright even and a normal content of the strength of three or four men, they had turned over fallen decayed trees, in saw were two bright even and a normal content of the strength of three or four men, they had turned over fallen decayed trees, in their thickets by day, and refused to had startled him so, I was on the point of and life such as worms and beetles. About sundown I used to gerous symptoms these of tear. Keeping tether, feed, and rub down my most in- my glance riveted on those two gleaming cago during the World's Fair. The engin-eers' societies of Europe will be asked to co-horse, who was my only companion on I felt with my left hand for my rifle, this and other lonely journeys, and who which was luckily lying within reach, and Ayer's Pills, being convenient, efficacious, is desirable in a fellow-traveller. Then, kept my pipe in my mouth, for the simand safe, are the best cathartic, whether on the evenings being chilly, I lighted a tire, ple reason that I was afraid to lift my land or see, in city or country. For constitution, sick headache, indigestion, and torpid liver, they never fail. Try a box of them: they are sugar-coated.

the evenings being chilly, I lighted a tire, made a capital supper out of corn-bread, hand to remove it. Slowly, and with the accollege of amoky venison, and some hot least possible movement, I got the rifle in coffee, flavored with condensed milk of thems; they are sugar-coated. the Eagle brand. Then followed the my legs, I twisted my body half round. It is understood that Minister's Island, sweet solace of a pipe, during the smok- I hesitated for one dreadful moment, and on the St. Croix, has been bonded for the sum ing of which the sun fell below the hori- then, quick as lightning, up went my gun of \$20,000, some western people having zon, and, as by magic, the fire at my feet and—out rushed the bear. The eye is fancied it as a site for summer cottages.

The great Dr. Boerhaave left three directions and beauty and kindliest friendship, as ing flank clear of the bushes before I tions for preserving the health—keep the feet warm, the head cool, and the bowels and perfect silence reigned in the vast a huge black mass almost upon me. 1 open. Had he practised in our day, he woodland. I spread my bear-akin, wrap-might have added: and purify the blood ped my blanket around me, lay down, alope like a barrel, yet consciously guardwith Ayer's Sarsaparilla; for he certainly and foll asleep, thinking of old England ing my precious pipe,—a glance upward from the long grass below, and a vision of stock of

my thinking, enough at a time. And a in length, weighed three hundred and A Wonderful fiesh Producer.

This is the title given to Scott's Emulsion of Cod Liver Oil by many thousand who have taken it. It not only gives flesh and strength by virtue of its own nutritious properties, but creates an appetite for food. Use it and try your weight. Scott's Emulsion is perfectly palatable. Sold by all Druggists, at 50c.

1.00.

It wonderful flesh Producer.

In suppose every dream of Paradise contains serpent or dream of Paradise contains serpent or bear, and of the two I prefer the latter. My object in visiting Leg o' Mutton Prairie was partly that of sport, partly of exploration, and partly, and perhaps their song was divine, so was their exploration, and partly, and perhaps their song was divine, so was their exploration. Two years the light I wonder with the particular one into sundry moods and states of consideration for mestion of Cod Liver Oil by many thousand who have taken it. It not only gives ditions of primitive belief. The birds, which rarely came below but kept among the upper branches of the lofty trees, began to have a singular fascination for mesting the light. I suppose every dream of Paradise contains serpent or bear, and of the two I prefer the latter. My object in visiting Leg o' Mutton Prairie was partly that of sport, partly of exploration, and partly, and perhaps their song was divine, so was their exploration. Two years their song was divine, so was their exploration.

1.00. quisite freedom up there in the light. I earlier I had met and formed the achad too much-or too little-imagination quaintance of a man named Donald had too much—or too little—imagination to think that the tops of the trees were against the sky; but as regards the birds, I have often wondered how many days journey was I from the standpoint of my Teutonic ancestor, who, from the foot of his tall trees, beheld in birds creatures of celestial origin and neares. Solitada is a trangely weighted from the origin and neares. celestial origin and nature. Solitude is strangely wrinkled face, grey eyes full of kindly to superstition. And I do not humor, and a rich, full brogue of which remember ever coming across trapper or he was prond. His life had been on hunter who did not possess a strong vein long romance of adventure and vissitude of superstition, together with a vigorous he had been everywhere, seen everything, crop of small beliefs that were altogether and done everything. He had been personal, original, sometimes wild, and sailor, a gold-miner, a sheep-farmer, a sometimes quaint and pretty. And the cow-boy, an orange-grower, a boot-black, time came when I began to realize that a hackman, a dry-goodsman, a lumber the seeds of like things, thickly strewn, dealer, a grain-speculator, a journalist, were evidently imbedded in my own na- and-strangest of all, considering his ture, and were showing signs of availing brogue-for eighteen months he bung out themselves of conditions, however tem-porary, that were favorable to their "Professor of foreign languages," said growth. From all of which, and some. languages being, as he assured me with a what more, I have been often tempted to twinkle in his eyes, French and English frame an inference that civilization at its He had made three fortunes and los best, like beauty, is about skin deep,—
not forgetting, however, that the skin of the man is a most exquisite and sensitive though I thought I had gathered that he part of his nature; and that the civiliza- was in a small way prosperous. But it tion of some peoples, who make of it a was a matter about which I thought little, boast, really stands to them more in the and cared less. Donald Phimister was relation of a suit of ill-fitting clothes than of a skin whole, claborate, and quick. The primeval mood, I remember, was how, his personality, like his speech, had strong upon me-strong as the balsamic a fine, rich brogue all its own. He was a long, widening strip of grass land, like cynical, a trifle sceptical, a profoundly rea wedge driven into the forest. At first ligious man, a wee bit odd, yet full of it was not wider than a cart-track, but it strong attraction. No list of qualities clave the forest clean, and held its own, gathering width with length, pressing farther and farther apart the dark sides of it was how he had it. There was a

A Great Event In one's life is the discovery of a remedy for some long-standing malady. The polson of Scrofula is in your blood. You inherited it from your aneestors. Will you transmit it to your offspring? In the great majority of cases, both Consumption and Catarrh originate in Scrofula. It is supposed to be the primary source of many other derangements primary source of many other derangements of the body. Begin at once to cleanse your
