Beginning with the issue of November 6th, 1890, when the ADVANCE entered upon its Seventeenth Year of Publication

The publisher made an important change in the terms on which the paper is furnished to Subscribers. These include 1st. Strict adherence to the sys-

## of the paper to Dollar a Year

It is to be particularly understood that all outstanding subscription accounts due after November 6th, 1890, are to be settled on the old terms, viz., \$2 per year, the advertised credit rate.

I have made special arrangements with the

One Dollar and Sixty Cents a Year!

I have made the foregoing changes in the lusiness of the ADVANCE for two reasons.

The first is because many patrons who have been given credit, have abused the privilege to such an extent as to make the business of publishing the paper a non-paying one, and it is necessary, in my own interest and that of those who do pay, that I should no longer continue to furnish the AD/ANCE to those non-paying subscribers.

The second reason is, that I wish to meet the competition of the city weeklies, which are made up from the type of the dailies and, therefore, cost little for production in comparison with a local paper like the ADVANCE, the type of which must be set up especially for it.
