GRAND CIRCUIT RACING

Columbus, Ohio, Sept. 24.—Each of the three class races carded for the fifth day of the Grand Circuit racing proved excellent sport. The programme itself was completed, Mirthful and St. Frisco making it long with a six heat trotting battle.

St. Frisco was the first choice for the 2.09 trot, but Mirthful proved to be the best stayer.

GETTING READY IN PHILLY.

Philadelphia, Sept. 24.—On the expectation that the Philadelphia team will win the National league baseball championship, applications for world's series tickets are pouring into the offices of the club. An official said today that all applications received are merely being filed.

League Park with a view to increasing the seating capacity in the event the Phillies land the flag. One of the tentative plans is to erect bleacher seats outside the grounds on the sidewalks of the streets bounding the right and left field sides of the park.

WILL SOON BE READY.

Chicago, Sept. 24.—Jess Willard will be back in the ring within sixty days to defend his title of heavyweight champion. "Tex" came in from Racine, Wis., where Willard was appearing with a cronie today. He said Willard will wind up his circus tour in three weeks and will then begin preparing himself to re-enter the ring.

"There will be no wrangling over matches," said O'Dowd. "Willard is not going to fight for his health. He wants a reasonable purse, but promoters can get him for far below thirty thousand dollars."

GAFFNEY OFFERS THE BRAVES' FIELD

Boston, Sept. 24.—The Red Sox, leading the American league by four games, were acclaimed as pennant winners by Mayor Curley, in a letter received by President J. J. Lannin of the Boston club, today.

"It is a great honor which you have brought to Boston," the mayor wrote. "No baseball team in the country has ever played a fairer game."

Red Sox officials are engaged in preliminary activities looking toward preparations for the world's series. Until the title is clinched more securely, Mr. Lannin said, no announcement of plans will be made, but the office staff is caring for the many details that precede such a series. Between 2,000 and 3,000 applications for seats already have been received.

Mr. Lannin has under consideration an offer from President Jas. E. Gaffney of the Boston Nationals, inviting him to use the Braves' field, should the Red Sox go into the world's series. It was said that the greater seating capacity of the field, which can accommodate approximately 50,000 spectators might prompt acceptance of the courtesy.

THE WORLD'S SERIES.

August Herrman, chairman of the National Baseball Commission, in a statement said that the world's series would probably start on Saturday, October 9. Mr. Herrman said that the championship season in the east does not close until October 7 and it is the custom to give the contending teams a day to get ready for the big event.

SOLDIERS' COMFORT LEAGUE FORMED

Alexandra Circle formed for North End—Good work already done by members.

A new branch of the Soldiers' Comfort League has been formed in North End, with a charter membership of fourteen, the infant in the ranks being known as Alexandra Circle. The enthusiasm with which the members are entering upon the work augurs well for its success as already they have accomplished considerable. Officers have been elected and committees appointed and all the members are taking actively to the preparation of the little "extras" which lighten the burden of the men at the front.

Mrs. Bond of 48 Kennedy street, wife of Sgt. J. C. Bond, now in France with the Canadian Army Service Corps, is president of Alexandra Circle, and would be pleased to hear from any others desirous of joining and helping in the work.

A feature of the endeavors of the

new circle has been to get the children in the homes of the members and their little school friends working in addition to themselves. They have been doing this by means of yards of ribbon so arranged as to be able to receive deposits of coppers, each child to be given a yard of such ribbon to have filled in.

The little ones have returned many yards of pennies. The "kiddies" who have been doing this collecting are Marjorie White and Elsie Coleman, who have each returned three yards of ribbon filled: Marjorie Christie, John Andrews, Gertrude Andrews, Vera Roberts, Alice Hutchinson, Vera Campbell, each two yards; and Florence Lingley, Gertrude Gallop, Helen Dunham, Helen Black, Florence Gallop, Baby Jack Wilson, Phillis Andrews, Maude McLean, Muriel Springer, Ruth Watters, Helen Gorrie, Lois McLean, Verner Watters, Isabel Gaslin, Frank Wilson, Ronald Roberts, Harry Jones, Helen Chase, each one yard. Mrs. A. L. Roberts of Metcalfe street, is attending to this branch of the work of the new circle.

MOOSEPATH RACES TODAY.

Two good races are booked for Moosepath today, a pace and a trot. Among the lot are three imported horses which will start for the first time on Moosepath track. A three year old colt imported by Thomas Hayes will be given an exhibition mile and will be driven by a twelve year old boy.

All the CLOSING LETTER N. Y. MARKET E. & C. RANDOL

(Published by McGraw-Hill & Co. New York, Sept. 24.—The closing letter in the railroad list which began opening was suspended, temporary mid-day, but was resumed the last hour and steadily gained until the close of the business day. In that department of the activity became greater at any other time recently, and the supply of stocks was small. The closing in the Berlin war omnibus was considered very important. Berlin has not been inclined to exaggerate the seriousness of the situation which it has suffered in the war. Important one to facilitate the situation of the Allies' loan in this country. In the event that a loan of \$500 million was floated to remove danger of foreign liquidation of American stocks and bonds, the market would probably make a good response to the highly favorable statements of earnings now forwarded. The large gain in growth not being shown for August would be an isolated case. In the month still larger gains are made and the improvement in the headway instead of losing force in the year. Only a small part of business contracted for by other industrial plants has yet to move, and it will add enormously to earnings, particularly of the iron roads in the comparative future. Total sales \$64,000, \$8,900,000.
