## ALBERT MAN LOSES PAIR OF VALUABLE HORSES

Heavy load carried animals over 25 foot embankment into river.

Albert, Jan. 28.—Reuben Steeves of Beech Hill, Parish of Hillsborough, lost a valuable team of horses with sleds and harness yesterday. The outfit valued at \$400.00.

Mr. Steeves was hauling wood and had about three-quarters of a cord of green hard wood on his heavy double bob sled rig. Mr. Steeves was walking behind the team near the Steves Steeves Mill Pond bridge at Stevescote, and going towards the Salem Railway siding of the Albert Railway and meeting a friend he halted a moment to speak to him.

Thinking his team would stop at the crown of the hill as usual for the sleds to be adjusted on the heavy runners. But the team did not make the stop, and the heavy load forced them down the icy hill at great speed, and the horses failed to steer the load around the sharp curve at the bridge striking the railway and carrying it and the loaded sleds over

## "CASCARETS" RELIEVE SICK, SOUR STOMACH

Move acids, gases and clogged waste from liver and bowels.

Get a 10-cent box now. That awful, sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, dizziness and sick headaches, means a disordered stomach, which can not be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases, take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

OXO CUBES

## In the Navy

A Naval man on one of our warships wrote when ordering further supplies of OXO CUBES:—

"The finest recommendation I think, lies in the fact that" "this is a repeat order for a larger amount (of OXO CUBES)" "in order to guard against the rigours of the climate."

The coming of Winter always emphasises the value of OXO CUBES. They provide warmth, sustenance and energy to withstand the exhausting strain of the cold winter months, and enable one to recover quickly from fatigue and exposure. In the home they are handy for preparing soups, savouries, and gravies; or for a hot nourishing food-beverage at any time.

One of the most striking features of OXO CUBES is they meet the needs of all classes—and all ages.

"OXO Cubes come in so handy." "Before I close could I ask you to send me some OXO CUBES. THEY COME IN SO HANDY in the middle of the night, and it is so freeing cold at sea now." (From a Soldier in the British Fleet.)

"OXO Cubes are more precious than Gold." "OXO CUBES are more precious than gold out here as they make A QUICK HOT FEED." (From a Soldier at the Front.)
