## Around the City

**Disabled Engine Delayed Train.**  
Train No. 17 from Truro, N. S., which was due at 9.30 last night, drew into the depot over two hours and 15 minutes late on account of a disabled engine.

**Fish Market.**  
On account of the easterly winds of the past few days fishing has been slack and the markets have only small quantities on hand. Practically no shad can be obtained as the season is about over for this fish, and halibut is also noticed for its absence though small quantities can be had at 25c. per pound. There is a fairly good supply of salmon, which is priced at 25c., 25c., 30c. per pound. Smelts are selling for 15c. a pound; fresh cleaned haddock, 12c. and 14c. a pound; finnan haddie, 15c. a pound.

**Promotion For Engineer Gray.**  
Chief Resident Engineer is now the title of Alexander Gray, formerly assistant to Engineer Connolly of the Dominion Public Works, Ottawa. Mr. Gray formally took over directorship of the harbor on Wednesday. He succeeded Engineer Sweeney on West Side dock work, and has since been promoted to head of the harbor department. Engineer A. R. Crookshank continues at the head of the public works division, over which he has had jurisdiction for several years, and Engineer F. G. Goodspeed takes over charge of St. John river and St. John county coast, together with Albert and Charlotte coasts.

**Pioneer Lodge Installs.**  
W. R. Sanderson, District Deputy Grand Master, and suite of Grand Lodge officers, last evening installed the following officers of Pioneer lodge, No. 3, I.O.O.F.: P. G. Poole, N. G.; Harold Scott, V.G.; J. A. Murdoch, F. G. Sec.; J. F. Russell, Fin. Sec.; B. Robertson, P.G. Treas.; N. L. Lund, Warden; A. E. McGinley, P.G. Con.; Wm. Murdoch, P.G. R.S.N.G.; Dr. A. D. Smith, P.G. L.S.N.G.; Harry Jackson, R.S.; V.G.; W. Murray, L.S.V.G.; J. Collins, R.S.S.; W. G. Wall, L.S.S.; F. H. Sinclair, P.G. inside guard; F. H. Hillman, P.G. outside guard; Charles Fowler, P.G. chaplain; J. H. Lang, P.G.

**Recruits From New York.**  
A fine husky bunch of recruits came in last evening on two cars attached to the Boston express bound for Aldershot. The recruits hailed from New York state, and to show that they were inspired by the right spirit they had inscribed apt mottoes on the sides of their cars previous to enlisting. Some of the remarks were frankly humorous while others had a more serious tone, but they displayed the invincible determination that actuated the young men in their endeavor to do their bit for the cause of humanity. Some of the mottoes were: "New York to Berlin," "Down with the Kaiser," and "Come With Us."

**Vancouver Newspaper Changes.**  
The current issue of The Fourth Estate contains an announcement of pending newspaper changes in Vancouver, one result of which will be the absorption of the Vancouver News-Advertiser, of which Mr. B. D. Scott, formerly of this city, is editor, by the Vancouver Sun. The change is stated to take place in September. The Sun is a Liberal newspaper and the News-Advertiser, Conservative. The absorption of the Conservative publication by one published in the interest of the Liberal party may result in Mr. Scott removing from Vancouver to another field of effort, for that gentleman is a staunch Conservative and, unlike some of his former colleagues in this city, cannot change his politics as easily as he does his coat.

## ATTENTION CITY SUBSCRIBERS.

Owing to the absence of some of the Standard carrier boys on their vacations, new boys are for the time carrying their deliveries and this has recently been the cause of some subscribers not receiving The Standard.

If those who have reason to complain will promptly notify the Circulation Dept., Main 1910, any time, between nine and six o'clock on the first day the paper does not arrive, the matter will be remedied.

## ORANGEMEN PASS A STRONG RESOLUTION EXPRESSING APPROVAL OF CONSCRIPTION

**Resolution from Gagetown Gathering Forwarded to Sir Robert Borden — Excursion on May Queen Successful—Splendid Procession at Lorneville—Plea for Unity of All Classes and Creeds.**

Orangemen from various parts of New Brunswick at a meeting yesterday at Gagetown placed themselves on record as favoring the conscription measure of the Borden government. Amidst cheers the resolution favoring conscription was passed by the meeting. The following telegram, forwarded to Sir Robert Borden, by Brother John H. Wilson of this city, who was deputed to send it, presents the views of the hundreds of Orangemen who assembled to observe the glorious twelfth: "I have been instructed to send you the following resolution which was passed unanimously at Gagetown, N. B., today: 'Resolved, that the Orangemen assembled at Gagetown, N. B. today from different parts of New Brunswick heartily endorse conscription bill and its principles and will stand by you.'"

Upwards of 200 Orangemen from this city attended the meeting at Gagetown, going to the Queens county village on the steamer May Queen. The excursion was under the auspices of Dominion L. O. L. No. 141. The members of the lodge and others from city lodges assembled at the hall on Simonds street and marched to the boat headed by the Salvation Army Band. Brother Orangemen joined the party at Sand Point, Westfield, Bellevue Point, Hampton, Queenstown and other points en route. The excursion reached Gagetown at 12.30 o'clock, the party being enthusiastically received by the members of the lodge there. Meals were served by the branch of the Red Cross Society at Gagetown throughout the day and a tidy sum was realized for this worthy cause. In addition to the local excursionists, members were present from the adjoining counties, while an excursion from Woodstock on the Valley Railway brought a large number to the meeting.

Promptly at two o'clock the brethren assembled at the Orange Hall and the procession was formed as follows: Directors of ceremonies—Brothers Wellington Wiggins, Gagetown, and Joseph Daley, Dominion L. O. L. No. 141, St. John. St. John Salvation Army Band. Royal Black Preceptory No. 62. Royal Black Preceptory No. 703. St. John Royal Black Preceptory. "Prentice Boys" Lodges Nos. 17, 30, 35, 40, 47 and 51. Baywater L. O. L. No. 157. Kingston Champion L. O. L. No. 65. Dominion L. O. L. No. 141. No Surrender L. O. L. No. 18. Westfield L. O. L. No. 98. Johnstone L. O. L. No. 24. Dominion L. O. B. A. No. 18. Cullin L. O. B. A. No. 36. After a short march the procession was halted at the court house, where the meeting was called to order by George W. Diney of Gagetown. The

## CHILDREN'S AID SOCIETY ACCOMPLISHED GOOD WORK IN ST. JOHN LAST MONTH

**Father Duke and Rev. Canon Armstrong Can Now Hear Cases Under This Act—Will Simplify Matters, Says Mr. Scott.**

The monthly meeting of the Children's Aid Society was held last night at the home on Elliot Row. The president, A. M. Belding, occupied the chair. In addition to the regular routine business, a comprehensive report of the activities of the society for the month was read. Arrangements were also made for the granting of a month's vacation to the matron of the home, Mrs. Milligan, who has completed a year of faithful service at the institution.

The monthly report rendered by Rev. George Scott was as follows: In submitting this report which covers work done from June 14 to July 12 I would like to make special mention of the recent appointment of Father Duke and Rev. Canon Armstrong as justices of the peace to try our cases. This cannot help but simplify our work a great deal. We had our first hearing before their honors on Friday afternoon, July 6th. Mr. J. B. McCloskey took a stenographic report of the evidence which was all given under oath, and as a result of the proceedings one little girl now in the home was committed to the care of the society to be put in a foster home. One little boy was ordered sent to St. Patrick's Industrial School, Silver Falls. The president, A. M. Belding, conducted the hearing. "During the month I have made frequent visits to the police court. Besides I have made forty-five visits to other places. Nine people have called at my home for advice. Three people outside of the city who desire to adopt children have written to me. All of these letters have been filed and answered. One letter of the same nature was given to me by the president to answer. Since the last month by meeting one boy, seven years old, was admitted to the shelter, and one baby apparently about a year old, which was deserted by its mother.

chairman after extending a hearty welcome to the visitors, called on Brother D. G. Atkinson of Olive Branch L. O. L. No. 209. Mr. Atkinson, who is a theological student at Wycliffe College, delivered the principal speech of the day, referring to the present war and the part Orangemen had taken in it. He said that Orangemen had done glorious work and that they would be prepared to endorse the conscription measure of the government. The home rule question was touched upon at some length by the speaker, who said that the Ulstermen had just claims which should be recognized by the government.

Other speakers included Rev. Mr. Marshall of Gagetown and Brother McIntyre, both of whom were given an attentive hearing. The thanks of the visitors for the hospitality of the Gagetown Orangemen was extended in an appropriate speech by Worshipful Master Kilpatrick of L. O. L. No. 141. During the afternoon games and dancing were enjoyed. The excursions of Gagetown on their return at 6.15 o'clock, reaching the city about 10.45 o'clock. The local brethren are loud in their praises of the members of the order in Gagetown whose efforts so largely contributed towards the success of the gathering.

## At Lorneville.

Several members of city lodges went to Lorneville for the gathering there yesterday. The procession and meeting were under the auspices of Coronation and Mount Purple Lodges. The turn-out of the Orangemen was highly creditable, the success of the procession and meeting for the energetic organization committee from the two lodges. The parade left the hall at Lorneville at eleven o'clock. King William, being mounted on a fiery white charger. Following Mr. Galbraith was the Lorneville Pipe and Drum Band, while representatives of the Royal Black Knights of Ireland, the St. John County Royal Scottish Chapter were next in line. The "Prentice Lodges Nos. 27 and 40 followed, while representatives of the local lodges brought up the rear. The parade followed the usual route. After quite a lengthy march the parade proceeded to the picnic grounds, where addresses were delivered. Hon. J. B. M. Baxter, the first speaker, made a strong plea for unity among all races and creeds, particularly emphasizing its importance and necessity in the solution of the great problems which confronted Canada and the Empire at the present time. A. E. McGinley and Wm. Golding also spoke briefly. In the afternoon games and sports were enjoyed on the grounds, and a programme of dances in the evening brought the celebration to a close.

On June 28th, I visited Niv Island. In two of the families living there I found five children of the proper age, who had never been in school. There was one lad of 13 years who was working and who was said to have passed through Grade 1. I may say, however, that in every family I have had occasion to visit in the city I have found similar conditions. In the instance of the parents' plea of poverty, in others they say they try to send their children to school but they have to truant instead. "I have to acknowledge having received the money in the gift of the city directory for 1917 from Mr. M. McAlpine in recognition of the valuable work done by the society. This volume cost me but a great help to me in my work."

The management of the Raymond and Doherty Company announce that the formal opening of the Royal Gardens will take place this afternoon and evening, July 13th. Part of the proceeds to be donated to the local Red Cross.

**HONOR ROLL.**  
S. Williams, Barbados.  
C. E. Gibson, St. Vincent.  
8th Field Ambulance.

A draft of nine will leave tonight for Upper Canada for the Canadian Engineers. Two of the party will proceed to St. John, Quebec, for the Engineers. The remainder will go to Ottawa to report to the Signalling Depot. The majority of the party are natives of this city, although they did not enlist here. The men leaving for the Engineers are J. D. Ketchell and J. S. Killam. The recruits for the signallers are James Alton, J. Gillan, J. Robinson, H. Osborne, H. Allison, R. McGarry and Edward Boyd.

## Soldiers Arrive For Parks.

Among the passengers to arrive in the city last night on the Halifax train were two soldiers who have spilled their blood in France for the cause of British institutions. They were S. W. Lutes, son of Mrs. Laura Lutes of Moncton and C. Cullen, who enlisted in St. John. Both men were obliged to use crutches, the former suffering from the effects of wounds received in the leg, and the latter from wounds in the thigh. C. Cullen went to the front in the 14th Battalion, but was afterwards transferred to the 5th C.M.R. Speaking of the air raids over England they stated that the best of the English aeroplanes are at the front.

## BEGIN ERECTION OF THE GRAIN TANKS EARLY NEXT WEEK

Satisfactory Progress with Work at the New Government Elevator.

Fort William Concern to Build Tanks to Height of 90 Feet.

Excellent progress is being made on the erection of the new government elevator on the site to the south of the old Metropole lot between Prince William and Water streets. The first of the week will witness the commencement of the building of the grain tanks which it is expected will be completed to a height of ninety feet within the next three weeks. The whole structure is being made of sliding forms and a representative of the Segies, Bellows Co., Ltd., of Fort William, who have the contract for the superstructure and machinery, said yesterday that everything was proceeding nicely. The superstructure will be built to a height of about 110 feet, the same building reaching upwards of 200 feet in height. A large number of men are employed on the contract. The foundation piers at the site were built by Engineers and Contractors, Ltd.

## FIRST STEAMER OF SEASON ON MIRAMICHI

Lumberman Says Some Timber Will Be Shipped from Newcastle but Big Amount Still on Hand.

A leading Miramichi lumberman who was in the city yesterday told The Standard that the first steamer to load lumber from the Miramichi had reached Newcastle this week. Owing to the scarcity of ships the lumber cut on the Miramichi has been kept in the yards of the various operators without any prospect of shipment. The coming into port of the first steamer was most welcome to the people of Newcastle. It is understood that shipments will be made on this steamer by the D. and J. Ritchie Company and John Maloney, leading local operators. Lumbermen are hopeful that other ships will soon reach port to take shipments.
