

NOTICES OF MOTION.

Rev. Bro. W. M. Pattyson, Dy. G. C., gave notice that on to-morrow he will move the following:

1st. That great uneasiness and dissatisfaction exist in the minds and hearts of all true Orangemen at the remissness and neglect to bring to justice, if possible, the murderers of our martyred Brother, Thomas Scott.

2nd. That much doubt and uncertainty is felt as to what Empire, Dominion or Province, or what Government Officer or other person had or now has the right or power to take the necessary steps to bring the guilty parties to justice, and where the responsibility rests for the neglect of duty.

3rd. That the Orangemen of this Province (of which our dear Brother Thomas Scott was a loyal subject), are determined that they shall know the truth and what power or person it is that evades so grave a question.

4th. That in view of these facts, (while spurning the sympathy of any that would traffic in the ashes or memory of our beloved Brother in order to make political capital), we pledge ourselves with all the Sister Grand Lodges of the Dominion or even Western Ontario Grand Orange Lodge, to unite in procuring from the Past Grand Master, the Hon. J. Hillyard Cameron, Q. C., and Provincial Grand Master D'Alton McCarthy, Esq., Barrister at law, and Herbert S. McDonald, Esq., M. P. P., their legal opinions in writing as to what Empire, Dominion, Province, or Tribunal had or now has the right and power to cause the arrest and prosecution of the alleged murderers of the said Bro. Thomas Scott, and that the same be published in the Annual Report, and through the press for the information of the Brethren.

5th. That in denouncing all who attempt to make political capital out of an act so barbarous and inhuman, for mere party purposes, whose sympathies were withheld when required to bring the equally guilty and rebellious murderers of Colonel Moodie and other true and loyal men and Brethren, to justice in 1837, thus evincing by sympathy in one and their want of it in the other, in view of the consideration so important and that overtures have been made to the Roman Catholic League of Ontario, to give them six representatives in the Legislature of Ontario, the time has arrived when as Orangemen we shall go as a unit to the Polls for Protestant ascendancy, and the no surrender of its rights.
