PHYSICIANS' SUPPLY DEPOT

287 King Street West, cor. John Street

TORONTO.

THE students of the Woman's Medical College are invited at any time during their course to examine our stock of Crude Drugs, Chemicals, Pharmaceuticals, Dressings, Medical Batteries, etc., and thus make themselves familiar with the various articles which they will be called upon to use during actual practice. Tieman's illustrated catalogue and prize list, containing engravings of instruments and descriptions of operations, will be kept on hand for reference.
