CLARK'S OTTAWA WHITE BRICK.

ALBANY, N.Y., 4th June, 1879.

ALBANY, N.Y., 4th June, 1879.

Mr. T. M. CLARK, Proprietor Pressed White Brick and Terra-Cotta Works, Ottawa, Ontario:

We have much pleasure in stating that after a winter's exposure of your White Bricks in the Kenmore House, this city, and after closely inspecting them this spring, there is neither Discoloration of any kind, nor Disintegration, to be seen. The peculiar shape of the Brick adopted in this instance, "The Dog Tooth," made the test severer than upon the ordinary shape, and the result more satisfact ry. In our experience yours are the only White Bricks that we have yet found that do not discolor by exposure in our climate, and on that account we are adopting them again, and to a much greater extent, in another large building we are now engaged on.
