THE ANTI-CUTBACKS TEAM

WHAT IS HAPPENING WITH FUNDING AT THE U. OF A. ?

The Government of Alberta has announced a 1.5% funding increase for post-secondary institutions for the upcoming academic year. **Think about it!** A 1.5% increase in funding is a real decrease in actual funding levels; simple inflation in Canada is running between 5% and 6% over the last year, combined with a -3% cut in funding last year.

The proposed 1.5% increase doesn't even keep up with inflation. Since the Government will be paying in less, the University of Alberta Administration will be asking **YOU** to pay more. Indeed, the Administration is considering asking for a **20% increase** in tuition for next year, though government will likely limit increases to about 10%.

WHAT CAN I DO ABOUT THIS?

It's time to get involved. We can't change government policy without demonstrating that cutbacks in education are **unpopular**. You have to get involved, directly and personally, in showing your displeasure. The great silent majority is our enemy in this campaign. If you are concerned about paying more for less, you must get involved.

The **Anti-Cutbacks Team** is a group of students concerned about funding cutbacks, spending inefficiencies, and quality of education, **our education**. Get in touch, get involved by coming to our meetings, by calling 432-2872, by speaking up. Fill out the clip out form below and bring it in to any Students' Union Info Booth. Show that you are concerned.

Yes, I am concerned about the quality of my education and education cutbacks.

I want to show my support for the Anti-Cutbacks Team.
