Ottawa, 24th February 1919.

Sir,-

With reference to your letter of the 6th instant I beg to enclose herewith a copy of the plan showing the South half of Tp.20-21-4, in the Blackfoot Indian reserve sub-divided for sale. The North half and all the land up to the Bow River has also been sub-divided but for lease only. The plan showing this tract has not yet been made. As the survey on the ground has been recently made, it is hoped that your surveyors will have no difficulty in following the East boundaries of Sections 4, 9, 16, 21, 28 and 33 in the said Township, mentioned in your letter.

On the receipt of your plan the question of having the road opened will require to be considered. Enclosed also are a blue print of the Blackfoot Indian reserve and another showing the sub-division for Indian purposes South of Gluny, which may be of some service to you.

Your obedient servant,

[Signature]

Assistant Deputy and Secretary.
