Ottawa, Ontario,
May 2, 1924.

Dear Sir:

I have your letter of 27th April regarding Bill "F". You are quite mistaken as to this Bill having become law, as it has now gone to the Commons, and no doubt if arguments can be presented there to establish what you say, it will be defeated. Such arguments were not presented before the Senate Committee.

Yours very truly,

Arthur Meighen.
