FOOTBALL

VANQUISHED THE CHAMPS.

"Give us a start, boys. We want a goal in the first ten minutes." Such were the words addressed to the members of the Chatham team by Captain C. B. Sissons Saturday as they left their dressing room in the drill shed to meet the husky Darrell club, the present cup-holders, in the first home game of the season.

And Captain Sissons had the satisfaction of having the "goods" delivered.

From the kick-off Chatham became actively aggressive and six minutes after commencement Angus cleverly speeded the ball through the Darrell flaps for the first and winning goal.

The match was close and exciting from start to finish. In the first half Chatham was always threatening and repeatedly worked the ball dangerously near the Darrell fortress. In the second half the visitors had an occasional look-in but the splendid defence of the Chatham backs rendered their inroads ineffective.

The earnest work of Captain Sissons and Manager Messer, in training and coaching the team was apparent. There was considerable improvement on the style of play evidenced in the Kent Bridge match of the previous week and every player worked hard and effectively for the victory.

Baker, the Maple City goal custodian, has yet to have his colors lowered. He is a steady, clear-headed player and carried off a couple of splendid stops in the second half.

To the two stalwart backs, Harry Flowers and Captain C. B. Sissons, the honors of the game are due. Their work throughout was magnificent and any forward line that penetrates their sturdy defence will have to be up and doing.

McNaughton, Fraser and Piggett made a fine half-back line. Mac was exceptionally brilliant and the vigorous checking and clever drop kicks of Fraser and Piggett more than made good in holding down the Darrell right wing.

On the forward line Kellington, although suffering from a severe sprain, played a strong and effective game. Smith showed splendid form and Messer was always brilliant and fast. Dean did some capital work and Angus played in spirited style.

The Darrell team played a hard and earnest game and deserve much credit. Their club is always a difficult one to beat for they play good strong football. Jenks, Abraham and Bennie on the forward line were particularly good, their halves and backs played splendidly and French in goal is always a hard proposition to get past. The Darrell club deserves praise for its good showing.

ANGUS WON THE HAT.

The handsome hat—the choice of any in their establishment—generously donated by Messrs. Stone & Co., the well-known hatters, to the first player on either team to score a goal was won by R. W. Angus, of The Planet, who scored shortly after the start, on a good clean shot. Angus was playing on the inside left and met a pass with telling effect and the ball bounded through amid hearty applause.

"Tell Mr. Angus to come in and pick out the best hat in the store," said ex-Ald. Wm. Stone, generously Saturday night. "Our gift was to the player on either team who scored first."

The interest and generosity of Messrs. Stone & Co. was heartily appreciated by both teams.

One to nil!

That's the score of Saturday's game between Chatham and Darrell. Chatham did all the counting and won a hardly contested game.

Referee Sherman Langford, of Kent Bridge, blew his whistle at 4.40 and the game was off. Chatham had the advantage of the wind. The ball was, immediately after the kick-off, carried down the field towards the Darrell citadel to be driven out by Boulton but was not long in returning.

The ball kept hovering round the Darrell goal but the backs relieved nicely or, if it so happened it was a shot on goal, French was usually there. Rush after rush did the Chatham forwards make until Smith, who was playing outside left, brought the ball down the left of the field, centered to Anderson, who passed to Angus, inside left, Angus scoring the winning and only goal of the game six minutes after play had commenced.

Kellington now replaced Angus on the left wing. From the scoring of the goal till the end of the first half the ball was pretty much at the Darrell end of the field. Dean and Messer on the right wing and Kellington and Smith on the left were responsible for some good combination work. McNaughton on the Chatham half-back line played a phenomenal game, working hard at all times and always with the ball. When a Darrell man thought he had the ball he didn't, because McNaughton beat him to it. Thus the first half ended with the ball about the centre of the field.

The second half was altogether different from the first in that the play seemed slow and less interesting. Gregory, of the Darrell team, and Messer from the Chatham team, were forced to retire, having been hurt. Angus replaced Messer on the right wing and French replaced Gregory. Fraser and Kellington, too, met with accidents but continued the game.

Darrell now had the advantage of the wind, if it could now be called an advantage, and the forwards did some effective combination work, especially the right wing, with Abraham and Bennie. Several times the strong half-back line of the home team was broken but the ball seldom passed the strongest full-back division Chatham has had in many a day.

Baker in goal for the locals had quite a little bit of work to do in

the last part of the game, but was always in the right spot at the right time. Baker is a good goal keeper.

The Darrell aggregation worked hard at the last and it looked several times as if a goal would be scored, but it was not to be. Several corners were kicked at the Chatham end but were always driven out. Bert Ellison, of Essex, from the college, played left half for the Darrell team and proved a good one, always steady and keeping his wing pretty much under control. "Bill" Boulton, too, from the college, played at full back and put up a star game.

The line-up of the teams was as follows:

DARRELL.

Goal—H. French.
Backs—A. Pugh and W. Boulton.
Half backs—M. Abraham, L. Gregory (M. French), and B. Ellison.
Forwards—F. Pugh, Ed. Jenks, J. Fisher, R. Abraham (Captain), and W. Benny.

CHATHAM.

Goal—Baker.
Backs—C. B. Sissons (Captain), and H. Flowers.
Half backs—Fraser, McNaughton, and Piggett.
Forwards—Kellington, Smith, Anderson, Messer, Dean, and Angus.
Messrs. Knight and Courtney were time keepers.

CORNER KICKS.

About two hours and fifteen minutes on the field.

When Sissons wasn't there with his foot, Flowers' head was effective.

The two backs, Captain Sissons and Harry Flowers, are princes.

McNaughton was the star.

The betting odds were five to three against Chatham.

That changes the position in the standing.

The standing—	W.	L.	D.	Pts.
Chatham.....	1	0	1	3
Darrell.....	1	1	0	2
Kent Bridge.....	0	1	1	1

One matter looms up for criticism. The onlookers should be guarded in their "rooting." Hearty applause for either team is splendid encouragement and adds interest to the game; but unpleasant and ugly epithets carelessly shouted out will only do injury to the sport.

Men's Fine
Worsted Suits.

Men's fine black and blue worsted suits are the back bone of any clothing stock. They are a safe standard from which to judge the values and styles afforded by the stock in general.

We make Men's black and blue worsted suits from cloths specially imported by ourselves with such care that an expert can scarcely distinguish them from the very best custom made cloths.

The cloths are all well shrunk and cut by hand from the very latest patterns, the trimmings are the best and they are silk stitched throughout. They wear well, are comfortable and keep their shape.

Prices \$10 to \$15.
