

1833. 5th Month.

MAY,

Begins on Wednesday.

Peace giving spring ! sweet morning of the year
 To lightsome hearts, to youth and beauty dear—
 Of dawning life the symbol bright and fair—
 The dream of Childhood new, without a care :
 I strike the harp sweet morn of thee to sing—
 Dawn of our hopes soft pleasure giving spring ;
 Whose gentle rains enliven the health,
 And promise plenty—stores of Ceres' wealth.
