

## The Test of Tests

### The NEW EDISON "The Phonograph with a Soul"

**T**HIS remarkable new musical invention brings into your home the literal Re-Creation of the art of the world's greatest musical artists.

Let us give you an hour of music. Let us Re-Create for you the voices of the Metropolitan Grand Opera stars.

Let us Re-Create the masterly bowing of Spalding. Let us Re-Create the 'cello, flute, piano, orchestra—any voice or any instrument, or combination of voices and instruments.

The musical critics of more than five hundred newspapers declare that the Edison Re-Creation of music cannot be distinguished from the original music.

The new Edison is the only instrument which has successfully sustained the test of direct comparison with living artists.

*May we send you the brochure "Music's Re-Creation" and the Booklet, "What the Critics Say."*

### THERE IS ONE MAN

always ready to take out Life Insurance—a sick man. But he is the one person who cannot buy insurance.

It is merely prudent, then, to insure while one is in perfect health, before sickness or accident make it impossible to make provision for dependent ones.

The Great-West Life Assurance Company issues Policies to meet every need and circumstance. For older persons, the Ordinary Life Policy gives protection at low cost. For younger persons, the 20-Payment Life Policy, where the insurance is paid for during the earlier and more productive period of life, and the Endowment Policy, offering a most profitable method of saving money where the savings are protected by Life Insurance.

The Great-West Policies have earned for themselves a reputation second to none. They are Inexpensive, Liberal and Profitable. Personal rates will be submitted on application. State age.
