

Heavy Ulster Style. Made of close woven, warm Yorkshire woolens. Big variety of patterns to choose from. \$16.75.

YOU NEED THIS WARM OVERCOAT

And you can get it for half of what it would cost you from your local tailor. It is made in England, especially for the Canadian climate. The material is heavy, close-woven woollen cloth. It is almost wearproof. Your local tailor could not possibly make you a coat like it for less than \$35.00, yet we will deliver it to you—duty and carriage charges paid—right to your door, for \$16.75. This is the reason why: We buy our materials wholesale, direct from the mills. Your local tailor buys in single overcoat or suit lengths. When you buy from us, you save the four middlemen's profits that come out of the cloth before it gets to your local tailor.

You Can Prove the Value of Catesby Overcoatings for Yourself by making this test:

Send to our nearest Canadian office for a package containing 72 samples of overcoatings and suitings. When you get them, pick out the cloth you like best, take it to your local tailor, and ask him what he will charge to make you an overcoat or a suit of that quality of material. When he quotes his price, compare it with the price in the Catesby catalogue. We are satisfied to abide by the result. That's fair, isn't it? So send for the patterns to-day.

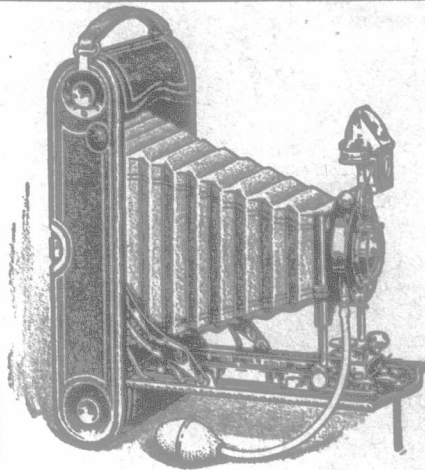

Remember, we ship your overcoat or suit five days after your order gets to us in London, and the Catesby price includes payment of all duty and carriage charges by us. Write for the samples to-day, while the thought is in your mind.

Address our nearest Canadian office.

"Wheel the Scale to what you want to Weigh"

The RENFREW Handy Two-Wheel Truck Scale

SAVES MONEY FOR FARMERS AND DAIRYMEN

Thousands of farmers are losing money yearly through the inaccuracy of their scales.

It was to protect farmers against these losses that the Renfrew Truck Scale was designed and built.

And it does protect them—by being absolutely accurate.

Gives the farmer all his profits on everything he sells by weight.

Saves for him time and labor—simply wheel the scale to what you want to weigh

Weighs anything from one pound to 2,000 lbs.—and weighs it right.

To verify these statements, mail coupon now for our Free Booklet

"The Profit in the Last Ounce." It tells in an interesting way about the business side of farming—and how money is saved with a "RENFREW" Handy Two-Wheel Truck Scale.

THE BEST CHRISTMAS PRESENT TO GIVE YOUR BOY

Get him a BT Manure Carrier, and his stable work will be a pleasure. With the BT he can take out 1,000 lbs. of manure at a time. He can push out this big load and dump it on the pile or into the sleigh in a jiffy. He'll do the work in half the time it takes a man with a wheelbarrow, and he'll keep a far cleaner stable.

BT Manure Carrier

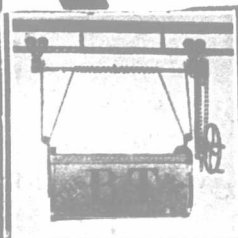

You need one—read the letter that Mr. C. C. Hanson, Dixville, Quebec, writes us:

"We installed one of your Manure Carriers two years ago, and it was the greatest improvement that we have made. We used to have to drive the boys to clean the stables, but now they both want that job, and there is a quarrel as to who is to have the Carrier."

Drop us a post card or mail us this coupon, and we'll send catalogue by return mail.
