Big Money and Steady Work for You

OPPORTUNITY is waiting for good hustling men who want to get in business for themselves and make \$15 to \$18 a day digging ditches with a

BUCKEYE TRACTION DITCHER

It's a profitable business and a live business that is growing bigger every day. Farmers everywhere are letting out contracts for the draining and tiling of their land, and the men who own a BUCKEYE are kept busy 9 to 10 months in the year doing this work.

The BUCKEYE not only makes better ditches than the old hand-labor method, but digs them faster as well—100 to 150 rods a day, depending upon soil conditions, and every ditch is cut clean, straight and perfect to grade.

The BUCKEYE is made with gasoline or steam power, is simple to operate and costs little to own and maintain.

Send for catalogue T, which tells what others have done and you can do with a BUCKEYE TRACTION DITCHER. Write at once.
