# THE SOURCE OF HEALTH.

A grand opportunity for weak men who have tried  
to get cured and failed.

Dr. McLaughlin's Electric Belt with its Electric Sus-  
pensory is the grandest invention of the age for building  
up wrecked humanity. It is free with Belts for men.

What would you give to have your  
old vim back again? What would  
you not sacrifice to feel as you did a  
few years ago; to have the same snap  
and energy, the same gladness, joy-  
ous, light-hearted spirit and the physi-  
cal strength you used to have? You  
know you are not the same man, and  
you know you would like to be. You

might as well be. It's easy. I am making men out of  
wrecks every day, and I can make you as good a man as you  
ever were with

## Dr. McLaughlin's Electric Belt.

My arguments are good, my system is good, but I know  
you haven't time to study these. You want proof, and I give  
you that, and lots of it. When your own neighbor tells you  
I cured him you will know I did it.

Tell me where you are and I'll give you the name of a man in  
your own town I've cured.

## I WILL PAY \$1000

For a case of Nervous Debility, Varicocele, Early Decay and Waste of Power, Rheumatism,  
Lame Back, Lumbago, Sciatica, any case of Kidney Disease that has not gone as far as Bright's  
Disease, Indigestion, Constipation or any weakness caused by ignoring the laws of nature,  
which I cannot cure with my new improved Electric Belt, the marvel of electricians, the most  
wonderful curative device that has ever been introduced.

My Electric Suspensory carries the current direct to the weak parts and cures all weakness of men, varico-  
cele, etc. It develops all weak organs and checks unnatural drains. No case of Failing Vigor, Varicocele or  
Debility can resist the powerful Electric Suspensory. It never fails to cure. It is free with Belts for weak men.

No man should be weak, no man should suffer the loss of that vital element which renders life worth living.  
No man should allow himself to become less a man than nature intended him; no man should suffer when there  
is at hand a certain cure for his weakness, a check to his waste of power.

Most of the pains, most of the weakness of stomach, heart, brain and nerves from which men suffer are  
due to an early loss of nature's reserve power through mistakes of youth. You need not suffer for this. You  
can be restored. The very element which you have lost you can get back, and you may be as happy as any  
man that lives.

I am willing to take all the chances of curing your case, and if I fail you will have the satisfaction of  
knowing that one of the best and strongest electric appliances in the world has failed. All you lose is your  
time. My confidence in my method enables me to offer any man or woman who will secure me the use of my  
Belt at my risk and

## PAY WHEN CURED.

**CAUTION.** To protect the reputation of my Belt, I am compelled to caution people against certain  
concerns that are advertising electric belts. My office contains hundreds of these magnet bands  
that possess no virtue. Even if they did, those selling them could not advise the proper manner to apply them.

**READ WITH CARE.**—Dr. McLaughlin's is positively the only electric appliance sold in Canada  
with which the patient has the care of a physician. I do not allow agents or drug stores to  
handle my Belts.

**FREE BOOK.** Write for my beautiful Illustrated Book showing how my Belt is used. I want you to read  
this book and learn the truth about my arguments. If you suffer from rheumatic pains, weak-  
ness, loss of vitality, prostatic troubles, nervous spells, varicocele, or any ailments of that kind that unman
