dollars to \$199,800,000, and imports decreased 18 millions to \$144,170,000. For the ten months since the beginning of the fiscal year exports have increased 211 millions to \$2,108,000,000, while imports were 1,546 millions, against 1,367 millions, Mercantile advices, too, continue favorable, while the harvest prospects are excellent.

"But these statistics are sorry comfort to American financiers who perceive that in Europe a recasting of values is taking place. Yankees attracted European capital because they paid more than local securities; now our capitalist has better chance here than across the Atlantic. It is this consideration which makes Wall Street so 'bearish.' That thereby it overshoots the mark goes without saying, and whenever this is found out we shall have a recovery."

EXTENSION OF TIME GIVEN.

The Dominion Government has granted extensions of time for the building of lines under construction or projected by the following named companies, the charters of which are held in the interest of the Canadian Pacific Railway Company: The Ottawa, Northern & Western Railway; Collingwood Southern; Manitoba & Northwestern; Alberta Central; Alberta Railway & Irrigation Company, British Southern and the Kootenay & Arrowhead Railway. An extension of the construction of the Campbellford, Lake Ontario & Western, better known as the new Lake Shore Line, from Montreal to Toronto, which the Canadian Pacific is building at a cost of not less than \$12,000,000. This entire line is under contract, and is well advanced so far as concerns grading and bridgework, and track laying is about to begin. This line will parallel the Grand Trunk and be a sharp competition with the older road, which always has had the monopoly in the east and west traffic through Canada.
